# PRIMALOFT® /MULTICAM® ALL-WEATHER JACKET

**CODE: JAC134**

**The STOIRM Mission ALL-WEATHER Jacket commands outstanding performance from the elements. Engineered with fully-taped seams making it entirely waterproof, breathable membrane for temperature regulation, Primaloft® Insulation for optimal weight to warmth ratio, and Multicam® Polyester Taslon fabric for incredible durability and versatility.**

Insulated with Primaloft® for superior warmth-to-weight efficiency, the jacket ensures thermal performance without sacrificing mobility. The use of Multicam® Polyester Taslon fabric provides exceptional durability, abrasion resistance, and adaptability across diverse operational settings.
