

The first locally produced,  
low-grain, hypoallergenic,  
collagen-enriched pet food in Türkiye.

HIGH PREMIUM QUALITY  
*Felicia*  
Keeps Happiness Safe

# The Innovative Collagen Advantage

There's now so much more we can do for the health and happiness of our cats and dogs!

Felicia proudly pioneers a first in Türkiye with collagen-enriched pet foods designed to elevate our furry companions' quality of life to the highest level.

## But why collagen?

Collagen is a unique protein naturally found in the body and forms the structural foundation of joints, bones, muscles, skin, and connective tissue. As pets age, or in cases of high activity or large breeds, the body's collagen production declines — making it essential for maintaining joint health, mobility, skin condition, and coat quality. Felicia formulas include hydrolyzed collagen, a form that is easily digestible and quickly absorbed by cats and dogs, helping them stay active and healthy every day.

### This way;

**Muscles and connective tissues are supported.**

**Joint and bone health are strengthened.**

**The immune and digestive systems are protected.**

Enriched with Superfoods  
& Powered by  
**COLLAGEN**  
Support

**A more active, energetic,  
and happy life becomes possible.**

**Skin elasticity improves and  
coat shine is enhanced.**

# *Every pet friend deserves health and happiness throughout their life.*

At Felicia, we're not just a pet food brand — we're a true companion in life committed to enhancing the well-being of our furry friends, encouraging them to move freely, stay strong, and live joyfully.

With our innovative approach, Felicia marks a first in Turkey by offering collagen-supported nutrition that provides comprehensive support for joint, skin, and coat health, while also strengthening the immune and digestive systems of cats and dogs.

In every kibble, we combine the purest ingredients from nature with the latest advancements in science — helping pets of all ages stay active, healthy, and full of life

*At Felicia, we promise*

**to improve the lives of pets of every breed and age,**

**to protect their health and happiness,**

**and to produce with unwavering dedication**

**to naturalness, science, and sustainability.**

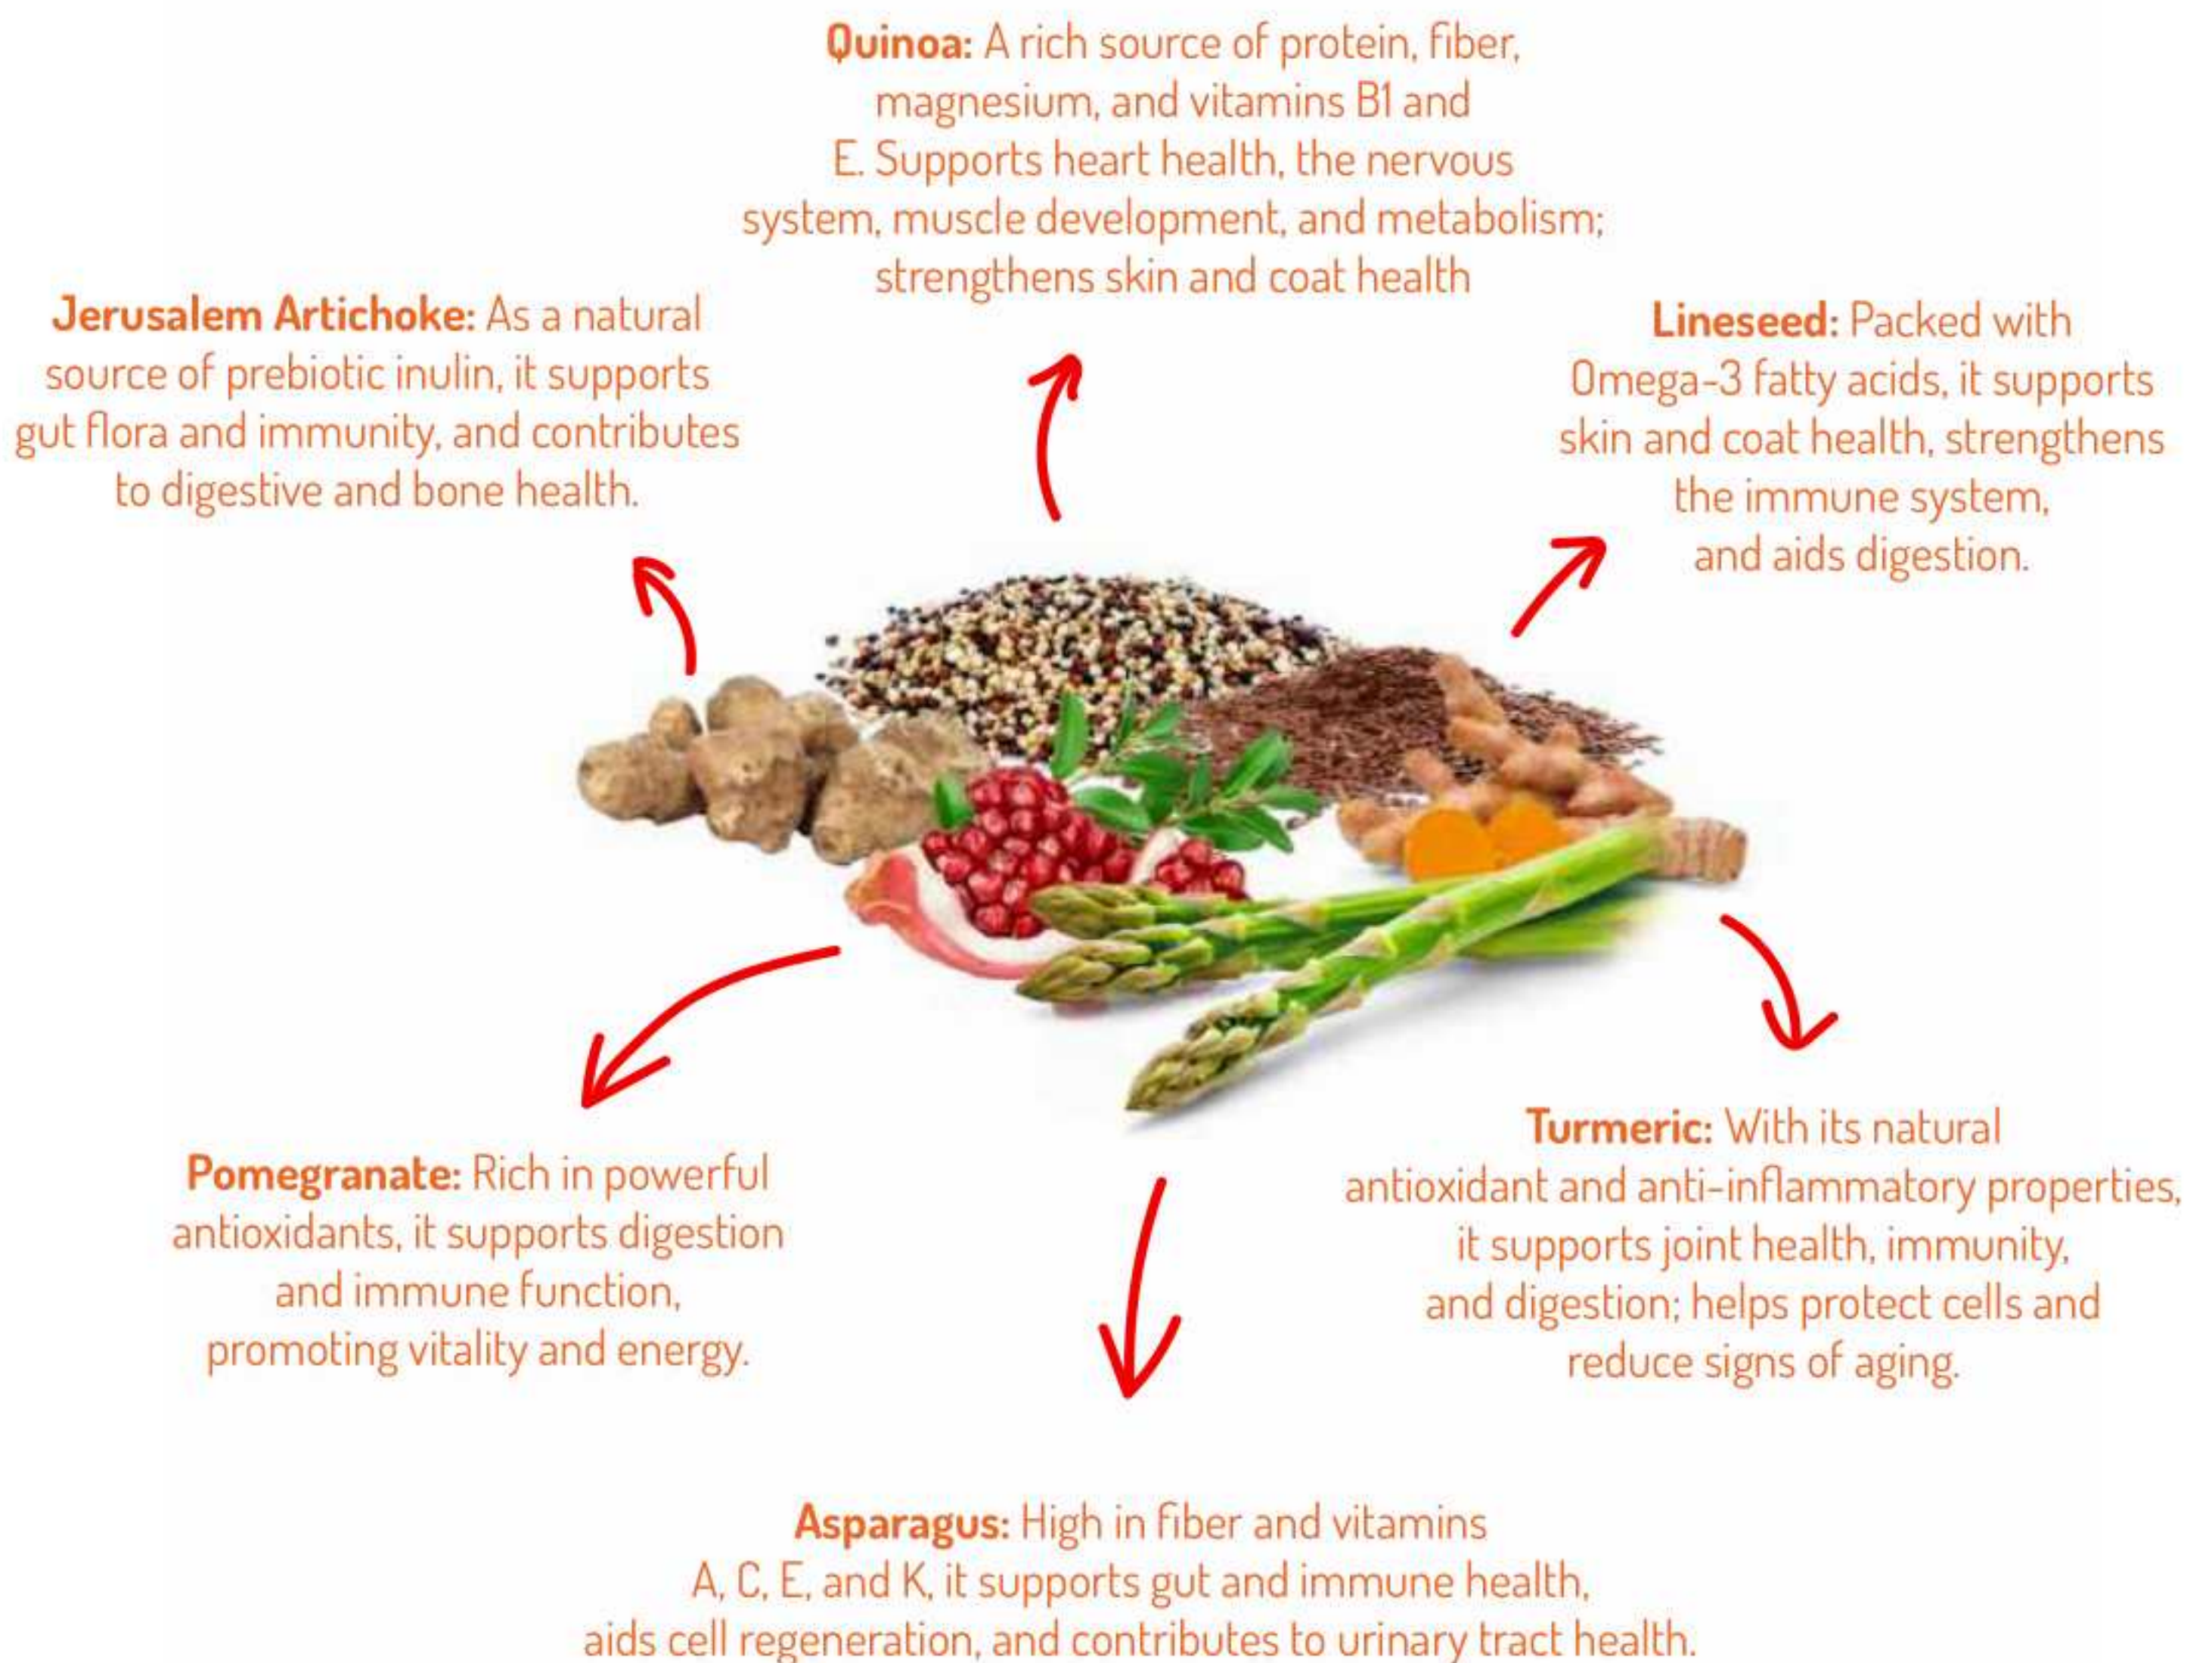

**Felicia Keeps Happiness Safe**

# Superfoods

Felicia's next-generation pet foods are enriched not only with collagen but also with nature's most powerful superfoods. Each ingredient is carefully selected and scientifically formulated to meet the specific needs of our beloved companions.

Because their health is not supported by protein alone — it's completed with essential vitamins, minerals, and functional nutrients!

# *In 45 Countries, Felicia Keeps Happiness Safe!*

At Felicia, we're committed to safeguarding the health and happiness of pets not only in Türkiye, but all around the world.

With our innovative formulas, collagen-supported nutrition vision, and science-driven approach, we've become the first choice of thousands of families and their beloved companions in 45 countries.

## *The Felicia Effect in Just 25 Days*

Noticeably reduced  
stool volume  
and odor

Up to  
90% reduction  
in hair shedding

Strengthened  
immune system

Proven 96.8%  
digestibility rate

Improved energy levels  
and a more dynamic  
body structure

All outcomes observed by professional veterinarians.

At Felicia, we support the health and quality of life of your pets with scientific data and concrete results. Our foods offer significant benefits that have been carefully observed by expert veterinarians and scientifically proven after 25 days of regular use. These observations are a testament to our commitment to animal health and nutrition.

Felicia is not just a pet food brand; it is a nutritional solution that adds tangible and measurable value to your pet's health with real results. We offer a scientifically proven approach to help them become healthier, more energetic, and happier every day.

**DOWNLOAD  
NOW**

**With AI-powered Feliguard,  
their happiness is safe at all times!**

We care about the safety of our furry companions not only physically, but also emotionally and digitally. Felicia's spirit of innovation now meets technology through Feliguard!

**1. Harmful Plant Detection:**

Analyzes photos of plants found indoors or outdoors and instantly alerts the user if they pose a risk to pets.

**3. Hazardous Environment Detection:**

Detects household items, cleaning products, and other elements in the environment that may pose a threat to pets through image analysis.

**What is Feliguard?**

Feliguard is an AI-powered safety and health monitoring app that helps pet owners raise their cats and dogs in a safer and happier environment.

**2. Harmful Food Detection:**

Identifies foods that should not be consumed by cats or dogs and notifies the owner in case of potential danger.

**4. Breed Identification:**

Analyzes a photo of your cat or dog to identify its breed and instantly informs the user.

# STARTER + care

## KITTEN CHICKEN

### STARTER SUPPORT

#### FELICIA 2 KG AND 12 KG LOW GRAIN KITTEN FOOD WITH CHICKEN

Extruded complete and balanced dry cat food for kittens of all breeds

**Ingredients:** Dehydrated Chicken Protein (44%), Rice, Maize, Poultry Fat (9%), Maize Protein, Anchovy Meal (3%), Hydrolyzed Chicken Liver (3%), Brewer's Yeast, Anchovy Oil (2.4%), Collagen (%2 Chicken based), Linseed, Krill Meal (1.4%), Yeast Protein, Minerals, Prebiotic Mannan Oligosaccharides, Pomegranate, Jerusalem Artichoke, EU Approved Preservatives and Antioxidants.

**Analytical Components:** Crude Protein 38%, Crude Fat 18%, Crude Ash 8.5%, Crude Cellulose (Fiber) 2.5%, Metabolic Energy: 3990 kcal/kg.

**Nutritional Additives (Per 1 Kg Of Product):** Vitamin A (3a672a) 35,000 IU/kg, Vitamin D3 (3a671) 1,750 IU/kg, Vitamin E (3a700) 350 mg/kg, Vitamin C (3a312) 263 mg/kg, Taurine (3a370) 2,000 mg/kg, Copper (II) Sulphate Pentahydrate (3b405) 17.5 mg/kg, Manganese (Manganese Chelate of Glycine, Hydrate) (3b506) 6.25 mg/kg, Zinc Oxide (3b603) 187.5 mg/kg, Iodine (Calcium Iodate, Anhydrous) (3b202) 2.5 mg/kg, Selenium (Sodium Selenite) (3b801) 0.19 mg/kg.

**Feeding Instructions:** See the table for recommended daily feeding amounts (g/day) according to your cat's weight. Follow the table for the food transition. If you are giving this food to your cat for the first time, mix it with its current food in gradually increasing amounts over a week to ease the transition. Always have fresh, clean water in the water bowl. Store the product in a cool, dry place. Avoid exposure to direct sunlight. The production date and recommended consumption date, batch code and business approval number are on the package. It should not be used as human food.

## FELICIA KEEPS THEM HEALTHY.

The healthy, strong and happy growth of your kitten, the newest and most delicate member of your family, is Felicia®'s top priority. Felicia® Starter Care Kitten Chicken, with its new-generation formula enriched with collagen and carefully selected superfoods, is there for your kitten during all critical stages of development. Thanks to its premium animal protein sources and carefully added natural ingredients, it provides comprehensive and multi-faceted support for cognitive and physical development.

**Nutritional Additives (Per 1 Kg Of Product):** Vitamin A (3a672a) 25,000 IU/kg, Vitamin D3 (3a671) 1,250 IU/kg, Vitamin E (3a700) 250 mg/kg, Vitamin C (3a312) 188 mg/kg, Taurine (3a370) 1,500 mg/kg, L-Carnitine (3a910) 200 mg/kg, Copper (II) Sulphate Pentahydrate (3b405) 17.5 mg/kg, Manganese (Manganese Chelate of Glycine, Hydrate) (3b506) 6.25 mg/kg, Zinc Oxide (3b603) 187.5 mg/kg, Iodine (Calcium Iodate, Anhydrous) (3b202) 2.5 mg/kg, Selenium (Sodium Selenite) (3b801) 0.19 mg/kg.

**Feeding Instructions:** See the table for recommended daily feeding amounts (g/day) according to your cat's weight. Follow the table for the food transition. If you are giving this food to your cat for the first time, mix it with its current food in gradually increasing amounts over a week to ease the transition. Always have fresh, clean water in the water bowl. Store the product in a cool, dry place. Avoid exposure to direct sunlight. The production date and recommended consumption date, batch code and business approval number are on the package. It should not be used as human food.

## FELICIA KEEPS THEM HEALTHY.

At Felicia®, we offer tailored solutions for the changing metabolic needs and sensitivities of sterilised adult cats. Felicia® Urinary Care Adult Chicken Sterilised features a next-generation formula enriched with collagen and carefully selected superfoods to help maintain your cat's ideal weight and support optimal urinary tract health. Combining highly digestible chicken protein with specialised weight management for neutered cats, this formula actively contributes to the prevention of urinary stone formation and the comprehensive protection of kidney health.
