**CATALOGUE  
PET FOOD 2023**

Canifors Prime class dog & cat food, founded by Cebag B.V. The Netherlands.  
A Family company since 1973!

Canifors has been created out of love for dogs and cats,  
which literally means "canine power".

We aim to provide you top quality dog and cat food  
for all types and breeds at a realistic price.

Canifors contains all the required nutrition,  
vitamins and minerals without any surplus additives at unnecessary costs.

Canifors is produced in The Netherlands  
and meets the highest European standards of quality.

We do not deliver directly to consumers  
but work together with a network of distributors.

We want to be easily reachable; you will have direct contact with our sales,  
logistics, promotion and/or quality department!

Immediate answers, no delay and only thinking in solutions.

Adapting to cultures, rules and regulations of all countries.

Family feeling all over the world. You don't stand alone!

One telephone/app number for all your questions answered in 24 hours.

We are **CANIFORS** for you !!

At your service,

The **CanifOrs**® crew

# Become a distributor

Canifors places a great deal of value on effective collaboration with distributors. For this reason, we offer you value for money in every way.

Canifors distributors benefit from the following advantages:

**Low inventory costs and high rate of inventory turnover**  
You only need to stock one type of dog and/or cat food.

## Attractive profits

Because Canifors is produced efficiently, we keep costs down and can offer you an above-average mark-up for products in this market segment, and this at a lower retail price.

## Long shelf life

Canifors is packaged in special bags that properly preserve aroma and taste, and the food is protected against moisture and pests.

## Satisfied customers

With Canifors, your customer gives his best friend the best nutrition at a fair price.

Real quality for real prices.
