

Pet Food

Valle Galbarro is a Spanish business family located in El Coronil, close to Sevilla city. The company was founded in 1994 and the main activity is to **select, pack and distribute all kind of legumes, cereals and seed for pet food.**

The Valle family **maintains a traditional business identity** with the main focus on continuous improvement, growth and innovation. For all these reasons an ambitious process to build a new 6000 m2 reception and processing plant is scheduled to be finished before end 2022. This project will improve the expansion of the company.

QUALITY CONTROL AND QUALITY CERTIFICATION

Valle Galbarro has implemented a quality and environmental management system according to **ISO 9001 and ISO 14001 standards.**

Additionally, to comply with all the existing legal regulations regarding the recycling of packaging materials, Valle Galbarro has been a **member of Ecoembes for more than a decade.**
