SWEDISH ALUMINIUM EXCELLENCE SINCE 1956

For almost 70 years we have delivered high-quality aluminium solutions from the heart of Småland.

VISION

To be Northern Europe's leading aluminium foundry.

COMPLETE ALUMINIUM SOLUTIONS

- High-pressure Die Casting
- Precision Machining
- Finishing Operations
- Assembly & Integration

SUSTAINABILITY AT OUR CORE

We deliver one of the lowest
CO₂ footprints in the industry.

OUR VALUE CHAIN

A key link in the global
aluminium value chain.
Trusted by leading OEMs.
Robust processes and
compliance for demanding
industries.

NEW OWNERSHIP

Since 2025, we have been owned by Lazarus
Industriförvaltning AB, ensuring strong and long
term development and growth.
