

Paper and paper containing films - Upgrade to the future

- Use your forming filling and sealing (FFS) machine to produce even beautiful pouches or bags made of paper or paper containing films.
- Install forming shoulders made by FormerFab that guarantee:
  - ⇒ **Wrinkle-free forming** by precise calculation
  - ⇒ **Straight film run** even stiff paper is formed
  - ⇒ **Smooth forming** that prevents scribing of paper edges and cut-outs

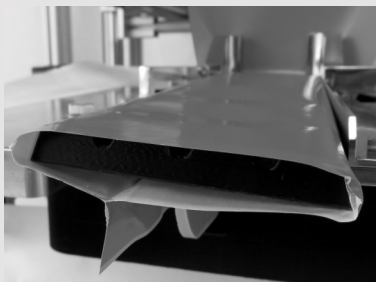

Horizontal forming shoulders

Symmetric / Asymmetric

Wrinkle-free forming

Proper asymmetric seam

Vertical forming shoulders

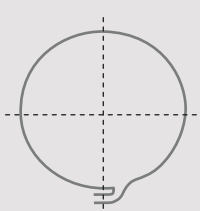

Smooth forming
