## Fresh Chicken and Duck Recipe

Net Weight: 500g

Shelf Life: 18 months

Crude Protein  $\geq 65\%$ , Crude Fat  $\geq 18\%$

### Marumi's First Fresh Meat Freeze–Dried Cat Food

- Upgraded meat sources, selected Tyson fresh chicken and Hua Ying fresh duck, with fresh chicken hearts and livers sourced from Tyson.

### Palatability Up to 99.99%

- A winning combination of Tyson chicken and Hua Ying duck, creating a palate–friendly masterpiece.

### Rehydrates in 3 Seconds

- Fresh meat freeze–drying results in a fluffier texture, and the rehydration speed is visibly rapid.

### Specially Added Antarctic Krill Oil

- High–energy nutrition sourced from the pristine waters of Antarctica, containing easily absorbable Omega–3 and focus on antioxidant astaxanthin.
