Robust women's backpack for bushcraft and trekking. Made from abrasion-resistant Cordura 500 den and with a modular attachment system that can be supplemented with additional pockets (e.g. the Universal Pouches, Art. 3032, 3033, 3034, 3035) or other equipment, this rucksack is designed for all kinds of wilderness tours. Its Frame Comfort Light carrying system, adapted to the female anatomy, offers efficient load transfer to the pelvic area and is optimized for a pack weight of up to 15 kilograms. The extensive equipment also includes a rain cover. The backpack has a PFC/PFAS-free DWR finish.
