

# LUCA

Makes the world look better.

Premium  
lightweight &  
durable  
planters.  
Made better.

Since 2015, Luca Lifestyle has been creating premium lightweight planters that combine innovative materials, durability, and timeless design.

Crafted in our own factory in Vietnam, each planter reflects exceptional craftsmanship and attention to detail. Today, our collections are trusted by garden centers, landscapers and interior plant designers worldwide for both indoor and outdoor spaces.

**L** Thank you for making our world look better.
