

# The platform for employee expenses for mid-sized companies

With Circula, CFOs succeed in digital transformation: Highly automated, legally compliant, and certified. Recommended and used by DATEV for travel expenses.

Used and trusted by over 2,800 companies

## 100% digital expense management

With Circula, your business expenses and corporate card payments are fully digitized and compliant. With just a few clicks, receipts can be scanned via app or uploaded via desktop. Numerous automated processes minimize manual effort.

### Travel & Expenses

- Digital receipts and automatic processes
- Seamless integration into payroll and accounting
- Automatic per diems (incl. meal allowances & reduced rates)
- Integrated travel expense policies, e.g., DB (Deutsche Bahn) & TravelPerk
- GoBD and DSGVO-compliant (German legal & data privacy standards)

### Circula Credit Card

- Physical & virtual credit cards – issued instantly and usable worldwide
- Real-time overview of spending
- Integrated with expenses – automatic receipt matching
- Individual card limits, approvals & workflows
- Compatible with all banks and existing payment processes

Teamlead, HR Analytics & Systems

**ABOUT YOU**

“Circula fits seamlessly into our system landscape. Many existing integrations are already available, such as ERP interfaces to our accounting systems and payroll integrations to DATEV and SAP. This allows us to automate many manual processes.”
