BeFree AC Bottle 0.7L in different colors & BeFree AC Bottle 0.9L

Better-tasting water, anywhere. Whether it's on your desk during a busy workday, on your bike, or with you on the trail, the Katadyn BeFree AC Bottle ensures fast-flowing, clean, and great-tasting water—wherever you fill up. With 2-stage filtration, activated carbon, and effortless cleaning, it makes staying hydrated simple—without the need for single-use plastics.

Explorer & Explorer Pro

Explorer and Explorer Pro, feature dry long-term storage capabilities and offer unparalleled modular flexibility, making them the optimal tools for safe and adaptable hydration on any exploration. The Explorer includes a high-end ceramic microfilter with activated carbon, while the Explorer Pro additionally includes a virus stage for maximum protection.

Gemini II

The new Gemini II double-burner stove is a game-changer in the world of outdoor cooking. The ability to heat two pots simultaneously has long been the realm of the car-camper, but the Optimus Gemini II now brings that ability to backpackers and hikers who are counting every ounce when packing their gear. Meals in the wild are about to get a lot more intricate, with two burners in play. Rice and veggies, bacon and eggs, pasta and sauce? Your imagination is the only limit. Produced in our own factory in Europe, the Gemini II's unique design folds into a compact unit. Double your outdoor culinary experience with the Optimus Gemini II.
