### Pet bathing machine

Equipped with a high-pressure nozzle and shower head for pet massage, plus automatic foaming for deep cleaning

# Walk-in Dog Crate

Crafted from 304 stainless steel, it is robust and durable. A host of user-centric designs—including a rotating feeding door, one-touch magnetic latch, and easily liftable sliding gate—can all be integrated into this system. We welcome all inquiries, requirements, and custom orders. Our engineers and designers will be happy to assist in creating 2D and 3D renderings for your reference.
