

PRESS RELEASE

Lichtenau, March 2026

Since 1899. And still wood.

OLI-NATURA at HOLZ-HANDWERK 2026 | Hall 12 | Stand 217

We don't set trends.
We create surfaces.

OLI-NATURA develops high-solid wood oils for professionals in furniture, staircase and parquet construction. Family-run since 1899. In-house development. In-house production. Clear stance.

The focus of HOLZ-HANDWERK 2026:

HS Profiöl – ALL NATURAL WOOD OIL. ONE LAYER.

One coat. 1K or 2K. Colourless or pigmented.
For steps, parquet flooring, worktops.
Penetrates the wood. Remains in the wood.

HS Profiöl in 100 ml – one-layer system for furniture, stairs and parquet flooring.

And when light wood meets **Scandic Oil**?
Raw wood effect. Invisibly protected.

*Scandic Oil – raw wood effect for light woods.

For journeymen, apprentices and prospective master craftsmen:
Bring along the wood for your test piece. Test the finish. Clarify any questions. Secure your master craftsman code.

The OLI stand is a meeting place for carpenters, joiners, stair builders and woodworkers. Here they can talk shop, try things out and think ahead.

Since 1899. Family business. High-performance wood oils for professionals.
