MEGAline

Over 45 years of experience and passion, strictly made in Italy

Megaline SRL, founded in 1980, is an Italian company, leader in the production of multi-purpose suitcases, gun cases, and accessories, exporting worldwide. The entire production cycle takes place within the company, using Industry 4.0 technologies to ensure efficiency and quality at every stage, from mold design to final packaging. We collaborate with prestigious companies and leaders in their fields, offering customized solutions that meet the most specific needs. In addition, we offer a wide range of customizations, and our product range is completed by a selection of accessories, components, and spare parts.

**Production facility / plastic component molding:
Certification UNI EN ISO 9001:2008 (ISO 9001:2008)**
