POOP BAG DISPENSERS

Our signature sheep plush poop bag dispenser brings the Green Sheep brand to life in a fun yet practical way. Made from soft but durable materials, it holds one standard roll of poop bags and dispenses them smoothly through a discreet opening. A sturdy clip attaches securely to your lead, bag, or belt, keeping your bags close and ready when you need them. Lightweight, functional, and full of character, it's the perfect walking companion for both style and convenience.

A CATEGORY YOU CAN COUNT ON

RETAIL & DISTRIBUTOR FRIENDLY

Retailers and distributors need more than products – they need categories that are reliable and easy to sell. Green Sheep offers a simple, well-balanced range of everyday essentials: dependable poop bags, practical dispensers, and gentle plant-based wipes. Each item is designed to work together, with consistent quality, clear pricing, and clean, recognisable packaging.

This makes planning, stocking, and presenting our range straightforward and low-stress. With repeat purchase potential and trusted materials, Green Sheep creates an easy, positive experience for you and your customers, turning everyday cleanup into a category you can count on.

Upgrade your clean-up section with products customers love.
