

Özdisan Electronics

Electronic Component Solution Partner

DMY Electronic Investments

Founded in **1980** in **Istanbul, Galata**

12 Group Companies and Their Subsidiaries

Main Focus: **Electronics**

1.324 Employees

2024 Turnover: **332 M USD**

DMY Electronic Investments

1. Electronics

- Distribution

- EMS (PCB-Assembly)

- Production

- Engineering (R&D)

2. Naval Transportation

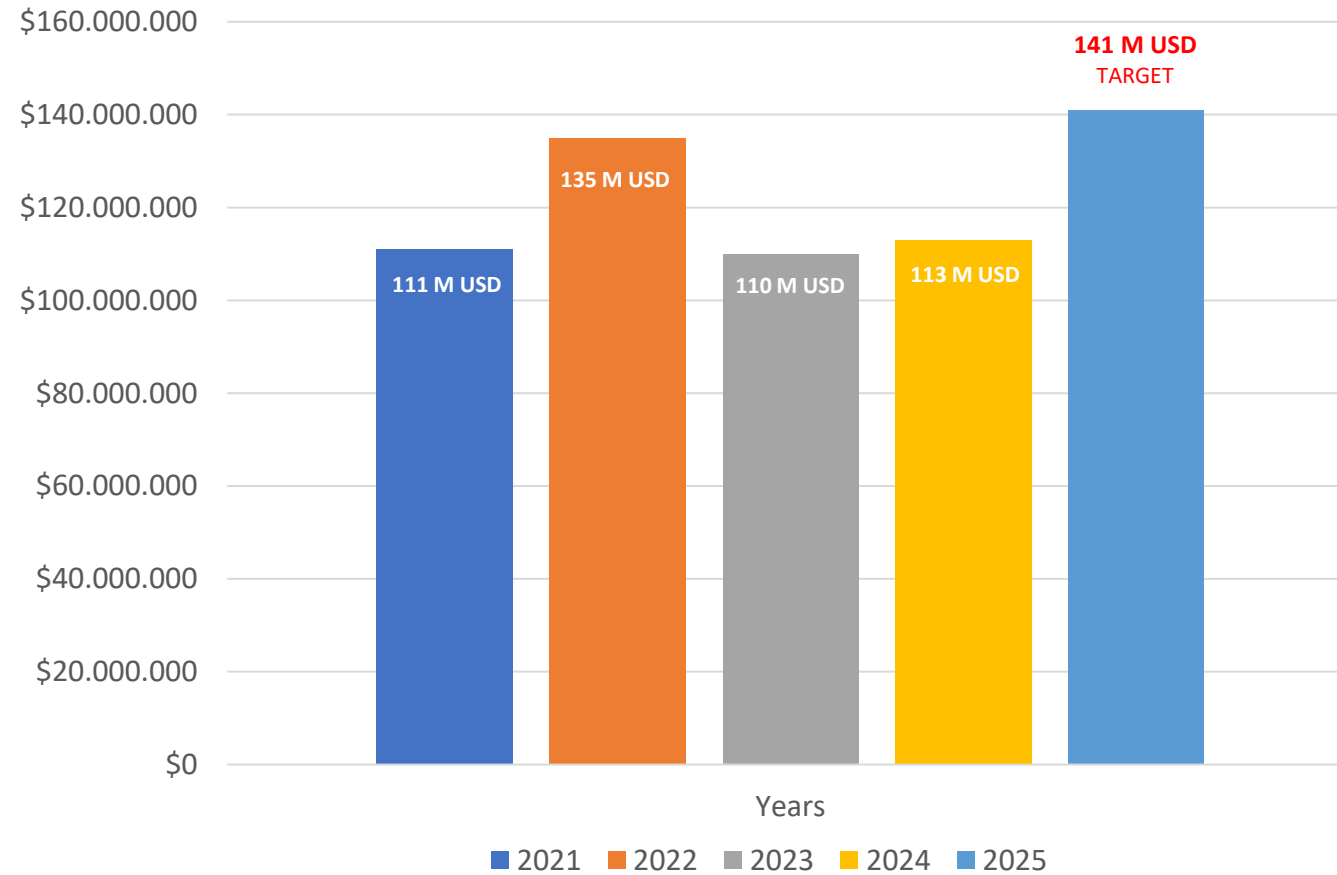

3. Tourism and Accommodation

Özdisan Electronics

Özdisan Turnover

Part of **DMY Electronic Investments**.

Founded in **1980**.

Consisting of **370** employees

Global Presence

Headquarter: **Istanbul**

Warehouses: **Istanbul, Hong Kong**

Domestic Offices: **Istanbul, Ankara, Izmir, Bursa**

Overseas Locations: **USA, Greece, China,**

Italy, India, Egypt

Customers: **More than 100 countries**

Solutions

Electronic Component Distribution

FAE and R&D Support

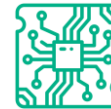

PCB-A Production Support

Automation Solutions

Heat Sink Production

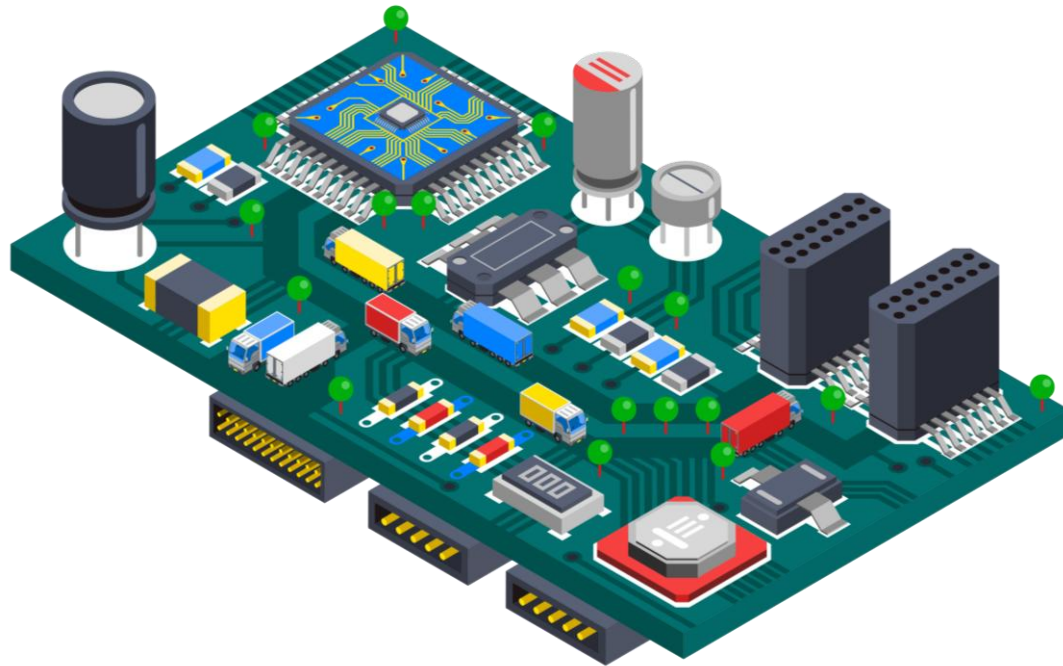

PCB Supply & Production Support

LED Lighting Design & Manufacturing Support

Electronic Component Distribution

- More Than 1.000.000 Items
- Distributor of More Than 120 Brands
- Product Supply of 2.000 Brands
- Delivery From Stocks
- Same Day Shipping
- Online Shopping

Electronic Component Distribution

55 M USD

In-Stock Inventory

23 M USD

and more..

Field Application Engineering (FAE) and R&D Support

- Project Support
- Equivalent Component Suggestion
- Product Trainings
- **Design + Prototype + Production**

PCB-A Production Support

7 Lines

4 Lines

1.1 Million Component Assembly Capacity/Hour

Machines Located in Istanbul and Ankara

Prototype and Mass Production Are Available

Selective Soldering, Dry Cabinet, Baking

No-Clean and Lead-Free Processes

Automatic Conformal Coating

Ultra Fine Pitch, QFP, QFN, BGA, CSP Assembly & Rework

IPC 610 Approval

X-Ray Inspection

Under Nitrogen Environment

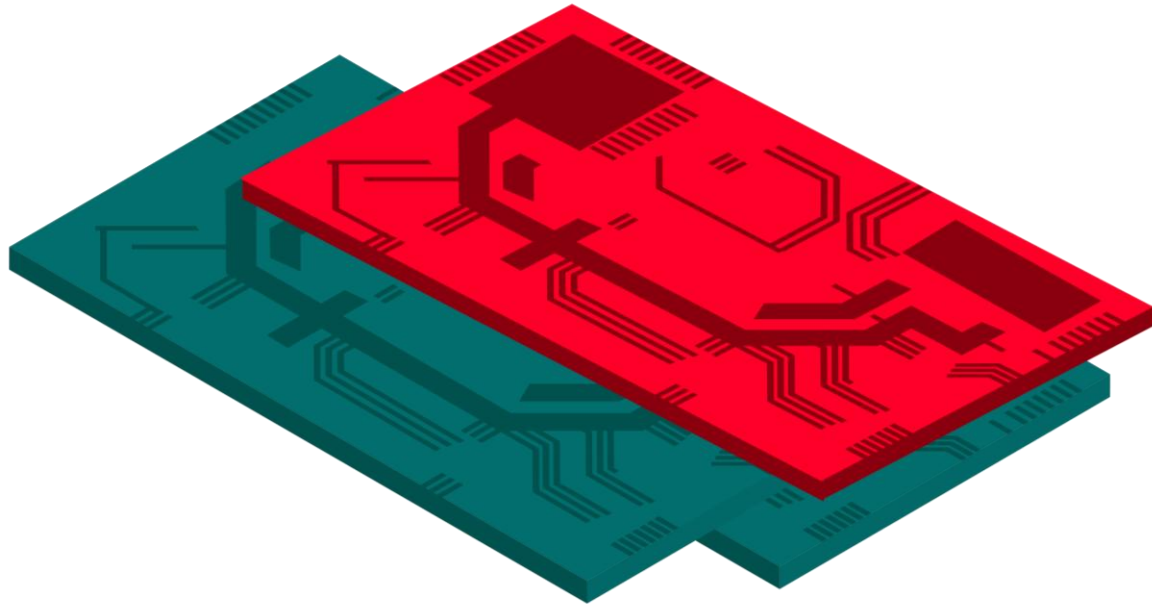

ISO 9001, ISO 14001, IATF 16949, OHSAS 18001, AS9100,
ISO/IEC 27001, NATO

Heat Sink Production

- 400 Tons of Annual Production Capacity
- Skiving Machine Process
- Surface Roughness Value Between 0.08 – 0.10 Microns
- 4-axis CNC Production
- Super Finish Surface
- Custom Design Production Like Drilling, Tapping, Rough & Finish Operations, and Surface Milling

PCB Supply & Production Support

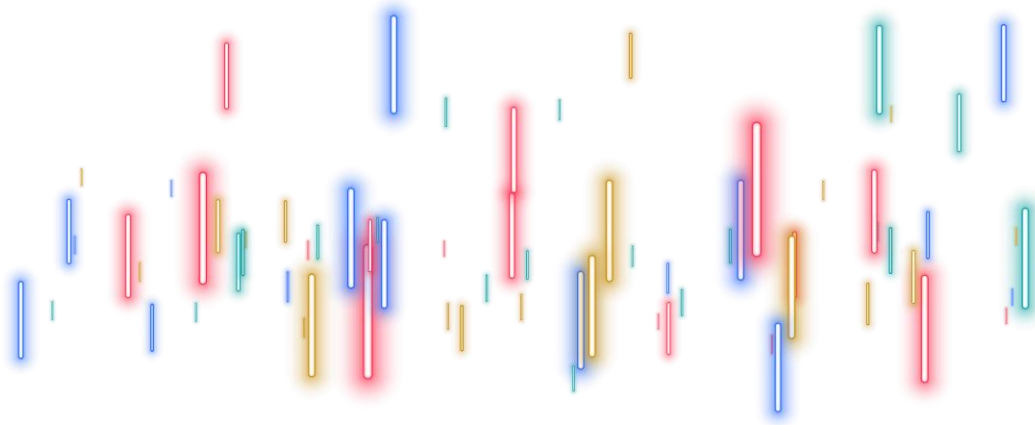

SOMACIS-TR

According to the application, we have two different business models:

- **Production**
- **Distribution**

LED Lighting Design & Production Support

Distribution

- Exclusive Distribution for Philips, Cree, Ledlink, and Evooptic

Design Support

- Variety of LED Module Family and Customized Module Design Support

Production

- Assembling on Our EMS Group Companies (Assan, EMS)

Automation Solutions

Distribution

- Exclusive Distribution for Panasonic, Weintek, Invt, Eura Driver, and ABB
- **Technical Support & Service**
- **Training & Technical Documentation**
- **Custom Application & Software Solutions**

ozdisan.com

- Launched in 2015
- 50.000+ Registered Users
- Customers From More Than 100 Countries
- 1.000.000+ Items
- Same Day Shipping

Customer Statistics

Customers	Mid and Big Size B2B	Individuals or Small Size B2C
 Domestic	4.350*	47.750**
 International	1.293*	2.250**
 Total	5.643*	50.000**

* Number of Customers We Have Actively Done Business in the Last 5 Years
