## Dogsee Gigabite Pumpkin and Cinnamon Cookies

A perfect healthy snack for your dog - these cookies are made with a blend of pumpkin and cinnamon. Pumpkin contains carotenoids, which are antioxidants that give it its deep orange colour. Pumpkin seeds, in particular, are known for their high antioxidant content and diversity. Antioxidant-rich foods can aid to delay the aging process, safeguard eye health, and combat inflammation and disease.

The pumpkin in these cookies offers a variety of heart-healthy nutrients, including vitamins A, B1, B6, and C, as well as copper, fibre, folate, and manganese. Packed with anti-inflammatory ingredients and rich in antioxidants, these cookies improve your dog's gut health and ensure healthy ageing. With the goodness of pumpkin and the flavour of cinnamon, your dog will love it as an everyday treat!
