Expand your range with DeliBest Vital Natura Snack, the top choice for customers who place a high value on their dogs' health. These specially developed chew snacks impress with outstanding taste and contribute to well-being – a perfect combination that makes them an attractive addition to your assortment.

DeliBest Vital Natura Snack sets new standards in the dog snack category and becomes an essential part of a healthy lifestyle for your four-legged customers. By incorporating DeliBest Vital Natura Snack into your range, you offer dog owners among your customers a superb way to actively contribute to the health and well-being of their beloved pets. This commitment to excellent quality and targeted health promotion will not only increase your customers' satisfaction but also solidify their loyalty to your store.

– Essential proteins:

The beef hide contained in our snacks, a premium protein source, effectively supports muscle health and overall well-being of dogs.

– Natural ingredients:

Our commitment to natural ingredients ensures a healthy and balanced diet, making these snacks an ideal choice for your assortment.

– Dental health:

Chewing the beef hide contributes to natural dental cleaning and strengthens the teeth.

– Gluten-free and low-fat:

Ideal for dogs with special dietary needs.

– High protein content:

Supports a healthy diet and strong musculature.

Beef scalp with biotin & flaxseed

For shiny coats and healthy skin. Biotin enhances skin and coat health, while flaxseed provides essential fatty acids for skin care.

Beef scalp with green-lipped mussel extract & glucosamine

For joint health support. This combination aids in promoting mobility and strengthening the joints.

Beef scalp with salmon oil

For a strong heart and a robust immune system. The omega-3 fatty acids in wild salmon oil support the cardiovascular system.
