WE USE RECYCLED MATERIALS TO MAKE OUR BEDS

Our dog beds are thoughtfully designed to combine comfort, quality, and timeless aesthetics. Made in Europe using carefully selected materials, like recycled components, each bed is created with your dog's wellbeing in mind. The covers are removable and washable for easy care, and the filling can be adjusted to suit your dog's preferred level of support. Refined colors and textures are designed to blend naturally into your home, offering a balance of thoughtful design and everyday functionality for dogs and the spaces they share with you.

Promenade/Paseo/Gassigehen

WE DON'T USE ANIMAL ORIGIN MATERIALS IN OUR COLLARS

JALA

JUNO

ONA

Our selection of leashes, collars, and harnesses is designed to adapt to both your dog's size and your personal sense of style. Each piece balances functionality and thoughtful design, offering comfortable fits that support your dog's freedom of movement. Elegant options in vegan leather stand out for their refined look, while more sport-inspired styles highlight versatility and durability for everyday use. Carefully crafted materials and considered details ensure lasting quality, always with your dog's comfort at the center.

Sira Necklaces **NEW**

Handcrafted collar inspired by the summer world, featuring corals, fruits, and irregular organic-stem pearls. We recommend adding two fingers' width to your dog's neck measurement for a comfortable fit. It includes an easy-to-use clasp, and the pieces are strung together with a pull-resistant steel wire. This collar is exclusively decorative and should not be used with a leash. Remember to pair it with a regular collar or harness for daily walks.
