SOUTHERN COIL INDUSTRIES SINCE 1994

YOUR IDEAL HEAT EXCHANGER, *PERFECTED!*

ABOUT US

"Your Ideal Heat Exchanger, Perfected" encapsulates our core philosophy at Southern Coil Industries. For nearly three decades, we have relentlessly pursued the perfection of heat exchangers, becoming the premier manufacturer in South India. Our journey, commencing in 1994, has seen us meticulously craft a robust manufacturing infrastructure, setting the foundation for our excellence.

Our esteemed clientele predominantly consists of influential Original Equipment Manufacturers (OEMs) within the region and beyond, a testament to our unwavering dedication to excel in the pivotal areas of Cost, Quality, and Delivery.

What truly distinguishes us is our unwavering commitment to exceeding customer expectations. To perfect the ideal heat exchanger for you, we proactively engage in a profound understanding of your unique needs and challenges. This approach ensures not merely meeting but consistently surpassing your expectations, all while steadfastly honouring our commitments.

Southern Coil Industries remains resolutely devoted to retaining its leadership position in the fin and tube heat exchanger market. We persist in delivering peerless products and services, empowering our valued clients with the tools for success. With us, your pursuit of the "ideal heat exchanger" reaches its zenith – indeed, "Perfected."

Vision

To become the leading choice as the premier manufacturer of heat exchangers in the country

Mission

Our mission is to continually perfect the art of manufacturing your ideal heat exchanger. We're dedicated to delivering high-quality, customized solutions at competitive prices, driven by innovative technology and a commitment to excellence

COST. QUALITY. DELIVERY

OUR TEAM

Team Strength and Capacity

With a dedicated team of over 45 permanent employees, our success story is built upon the foundation of exceptional teamwork and capabilities. At the core of our accomplishments is a harmonious synergy among skilled workers, seasoned managers, proficient engineers, and capable leaders. Together, we share common goals, collaborate with respect, and uphold equitable employment and compensation practices that fortify our organizational structure. Our low rates of attrition are testament to this.

Employee Engagement

Training: We invest in our team's growth through comprehensive training programs that enhance quality, safety awareness, and skill mastery. Our commitment to continuous learning ensures a motivated and adept workforce.

Safety: Ensuring the safety of our employees is our top priority. We implement rigorous safety protocols, provide essential protective gear, offer regular training, and adhere to industry best practices, guaranteeing the well-being of every team member.

Empowerment: We empower our workforce by cultivating a culture of growth, offering skill-enriching opportunities, recognizing achievements, and encouraging open communication. Employees are made aware of customer expectations and they go beyond their capabilities to achieve these higher goals. This results in a motivated and dedicated team that contributes to our collective success.

"The greatest asset of a company is its people"
 – Jorge Paulo Lemann

OUR COMPETENCY

Elevate your choice with Southern Coil Industries. Our unrivalled strengths in cost efficiency, unwavering quality, and timely delivery distinguish us. Our unique selling points include meticulous raw material procurement, a dedicated workforce, advanced order management, state-of-the-art machinery. Opt for a partnership that assures value-driven performance in all your endeavors. Elevate your choice with us.

OUR PROCESS

QUALITY

ISO 9001-2015

ISO Certified Excellence Southern Coil Industries proudly bears the ISO 9001-2015 certification, embodying it as a core facet of our facility's culture. We transcend mere compliance, delving into the essence of each guideline, exceeding minimum requirements to serve the true purpose. Our commitment drives periodic reviews, setting us on the path to industry leadership. Expect comprehensive test and raw material certificates, and flawless serial numbering for traceability.

IMPECCABLE RAW MATERIALS

We maintain dual sources for all raw materials, securing a seamless supply chain. Rigorous oversight of costs, quality, and deliveries ensures uncompromising supplier standards, backed by robust traceability and record-keeping for supplier accountability.

METICULOUS PROCESS

Control Precision governs our production process, minimizing rejections and material wastage. Control plans optimize machine and human performance, with a steadfast focus on continuous process enhancements to deliver top-notch quality.

ROBUST SYSTEMS & PROCESSES

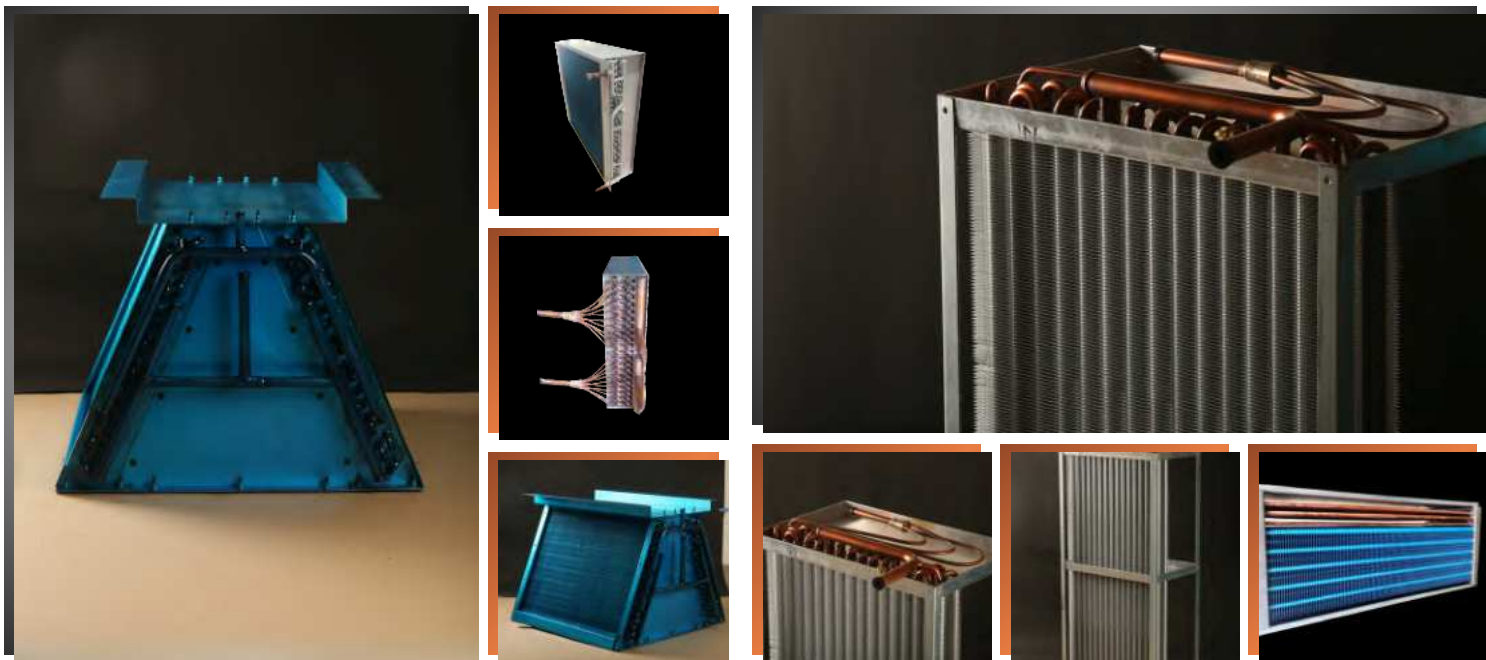

Quality isn't solely the responsibility of our workforce; it's the result of our well-structured systems and processes. Roles and responsibilities are clearly defined, operations documented, and tools like web and mobile applications, graphs, charts, and regular reviews synchronize our leadership and workforce toward our goals and strategies. Choose us for quality excellence at every step.

We choose Southern Coil Industries as our preferred partner because of their exceptional commitment. They continuously enhance product quality, and their unwavering adherence to industry standards makes them invaluable in our supply chain

Testimonial from Mr. Taher Kutub, Freeze Tech Equipments Pvt Ltd, Chennai

OUR PRODUCTS

COPPER TUBE

3/8" - Plain and Inner Grooved Tube
 7mm - Plain and Inner Grooved Tube
 1/2" - Plain Tube

FINS

Hydrophilic and Plain Aluminium fins
 4 Fins per inch to 17 Fins per inch
 Straight edge, Zig Zag and Louvred fins

FRAME

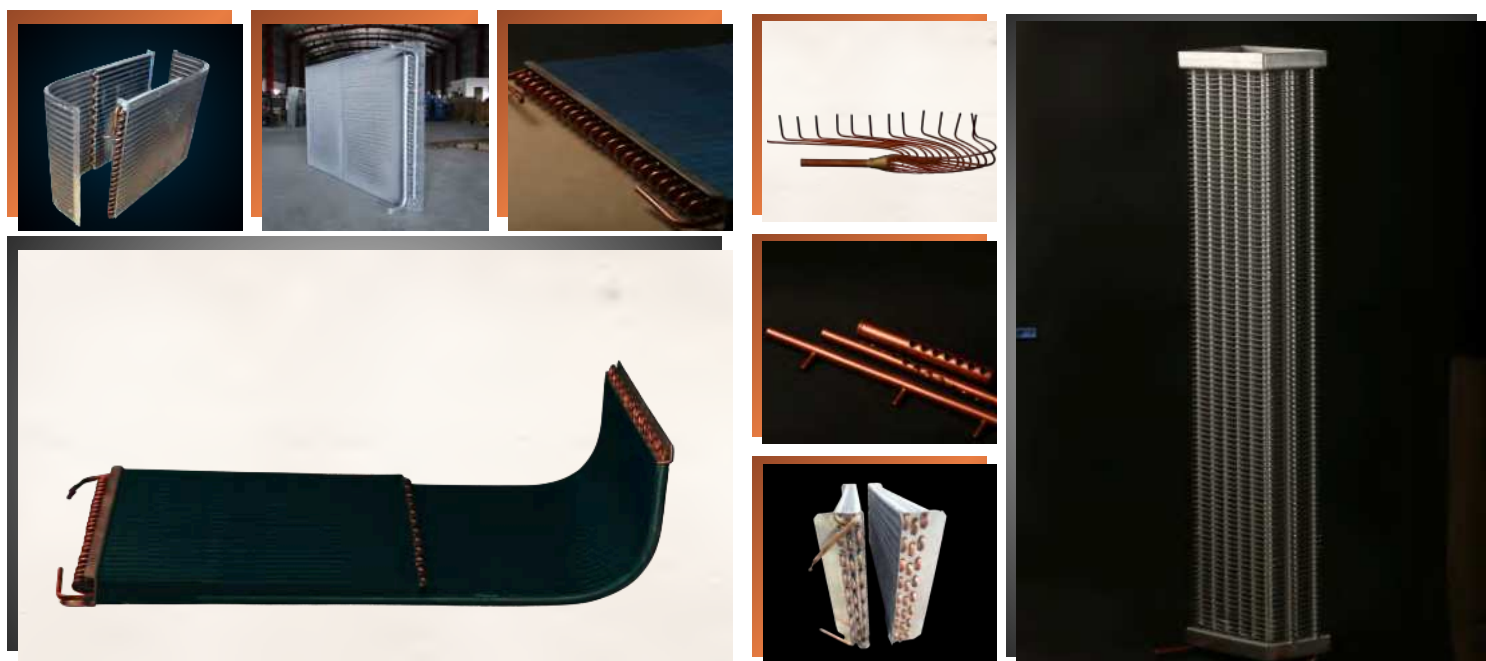

Galvanized Iron
 Aluminium
 Stainless Steel
 Plastic

TESTING

100% Nitrogen Leak testing
 upto 600 psi
 Burst pressure testing

CUSTOMISATION

Custom sizes from 6 inches to 6 meters and beyond. Anti-corrosion and Epoxy coating. Distributors, headers, mounting provisions and accessories

APPLICATIONS IN HVACR

INDUSTRIAL APPLICATIONS

- AIR DRYERS
- PROCESS CHILLERS
- CLIMATE CONTROL CHAMBERS
- PANEL COOLERS
- BLAST FREEZERS

AIR CONDITIONING

- AIR-CONDITIONERS
- AIR HANDLING UNITS
- COOLING TOWERS

SPECIAL APPLICATIONS

- AIR WATER GENERATORS
- LAB INSTRUMENTS
- CRYOGENIC CHAMBERS
- OXYGEN GENERATOR
- HEAT PUMP

REFRIGERATION

- ICE MAKING MACHINES
- DEEP FREEZERS
- KITCHEN EQUIPMENTS
- COLD ROOMS

OUR SPECIAL CAPABILITIES

Quality You Can See : At Southern Coil, quality is not just a buzzword; it's a tangible reality. Each product carries a unique serial number for complete traceability to the raw materials and precise process parameters, ensuring a visible commitment to excellence.

Unwavering Consistency : We are the preferred choice for OEM customers due to our steadfast commitment to unwavering quality. Our stable and dedicated workforce, coupled with industry-leading systems and processes, guarantees consistently high-quality products.

Commitment to Professionalism : Our foundation is built on transparency and integrity. We encourage open communication within our organization and with stakeholders. Our value proposition, which includes cost-effectiveness, top-tier quality, and punctual delivery, is communicated honestly. We comprehend our capabilities and constraints, refraining from empty promises.

Building Trust Through Transparency : Deep trust is the cornerstone of our relationships with customers and suppliers. We invite customer visits to our factory and actively seek audits and feedback as pathways to progress. Our production processes, costing methods, and order management systems provide accessible channels, ensuring clear and transparent communication at every stage.

Tailored Solutions for Your Success : Our strength lies in providing customized solutions tailored to the specific needs of our B2B clients. Our manufacturing flexibility and adaptability ensure that our products align seamlessly with your unique requirements, reducing Turnaround Time (TAT) and overall costs.

Environmental Responsibility : We are committed to sustainability. Our eco-friendly practices in manufacturing reflect our dedication to reducing the environmental footprint. By choosing us, you join a partnership that shares your commitment to a greener future.

OUR VALUABLE CLIENTS

ON AN AVERAGE 200+ CLIENTS SERVED EVERY YEAR ACROSS ALL HVAC&R APPLICATION

"We are very much impressed by the way you show your response and willingness to work with us to understand our specific needs and provide tailor made solutions to meet our goals. The quality of your products speak well in the market and it enhances our reputation with our customers globally. Whenever we faced challenges and or needed your assistance, your responsiveness was very quick with effective solutions.

**Testimonial from Mr. Gunasekaran
Manager, Trident Pneumatics Pvt Ltd**

"We consistently opt for Southern Coil Industries due to two pivotal factors, firstly, their transparent and trustworthy approach fosters trust and secondly, their unwavering commitment to meeting delivery commitments is a testament to their reliability, making them our preferred choice."

**Testimonial from Mr. K.P. Manoharan,
Managing Director, GEM Equipments Pvt. Ltd.**
