WHO IS

Peckish

Peckish is a trusted brand with over 30 years' of experience in the specialty food category. From humble beginnings, Peckish has always had the best intentions. We provide high-quality products for birds, reptiles, small animals, and livestock.

Peckish's foods and treats use all-natural ingredients, most of which are made in Australia. We have an in-depth knowledge of the animals we produce food for.

**PECKISH DOES THE RESEARCH AND TESTING SO
OUR CUSTOMERS DON'T HAVE TO.**

**PECKISH NATURALS
PECKISH JUNIOR EGG &
BISCUIT - BLUEBERRY
500G & 2KG**

Suitable for most species of birds, including Budgies, Finches, Canaries, Cockatiels and Parrots.

Peckish Junior Egg and Biscuit with added blueberries and chia seeds is a nutritious blend for adult birds who are rearing chicks and young birds. Made from all natural ingredients, the sweetness of the blueberries entices your bird into consuming this delicious blend. The added chia seeds provide young birds with the protein, essential vitamins, calcium, omega-3 and antioxidants required for growing bones, healthy organ function, consistent weight gain and strong feather development to transition to fully fledged.

**PECKISH NATURALS JUNIOR
REARING BLEND
- MEALWORM
500G & 2KG**

Suitable for most species of birds, including Budgies, Cockatiels, Lorikeets and Parrots.

Peckish Junior Rearing Blend with added egg and mealworms is a nutritious blend for hand-rearing chicks and young birds. Made from all natural ingredients, the combination of egg and mealworm provides your birds with the necessary vitamins, minerals, calcium and protein for growing bones, healthy organ function, consistent weight gain and strong feather development to transition to fully fledged.

**PECKISH NATURALS ADULT
SOFTBILL BLEND WITH ADDED
EGG & CHIA SEEDS
500G & 2KG**

Suitable for selected adult softbills, including Finches and Canaries.

Peckish Adult Softbill Blend with added egg and chia seeds is a nutritious, wholesome blend for adult softbills. Made from all natural ingredients, the egg provides an ideal source of protein, while the chia seeds ensures that your birds are receiving the amount of calcium, omega-3 and antioxidants that they require to improve feather development, and promote healthy muscles and bones.

PECKISH SMALL ANIMALS MIXED BERRY TREAT 200G

Peckish Small Animal “Mixed Berry” Treats have been formulated with the health of all small animals in mind. Your little friend will enjoy the delectable taste of mixed berries including blueberries, blackberries, strawberries, cranberries and raspberries while benefiting from their antioxidants and the natural boost to their immune system.

PECKISH SMALL ANIMALS NATURAL GREENS TREAT 200G

Small Animal “Natural Greens” Treats have been formulated with the health of all small animals in mind. Your little friend will enjoy the natural taste of real greens including kale, alfalfa and parsley while benefiting from their ability to soothe their stomach and aid in their digestion.

PECKISH SMALL ANIMALS HEALTH TREAT - DENTAL CARE 150G

Peckish Small Animal “Dental Care” Treats have been formulated with the dental health of all small animals in mind. Your little friend has teeth that continuously grow throughout their lifetime and at times may overgrow due to a failure in the normal grinding process. These dental treats are designed to be hard but edible with tasty carrots and pumpkin to entice them. The added parsley, peppermint leaf and plantain leaf helps to keep their breath fresh and their mouth healthy.

PECKISH SMALL ANIMALS HEALTH TREAT - HEALTH & WELLBEING 150G

Peckish Small Animal “Health & Wellbeing” Treats have been formulated with the overall health of all small animals in mind. Your little friend will enjoy the sweet taste of real fruits and vegetables including carrots, apples, kale and blueberries while benefiting from their antioxidants, a natural boost to their immune system and a natural aid for their digestion. Pumpkin seeds and flaxseed help with optimal skin and coat health, while the chia seeds are high in antioxidants and help promote strong bones.

PECKISH SMALL ANIMALS HEALTH TREAT - DIGESTIVE & SKIN CARE 150G

Peckish Small Animal “Digestive & Skin Care” Baked Treats have been formulated with the digestive and skin health of all small animals in mind. Your little friend will enjoy the taste of real kale, dandelion leaf and yarrow root while benefiting from their anti-inflammatory properties to soothe their stomach and aid in their digestion. Meanwhile, the pumpkin seeds and flaxseed help with optimal skin and coat health.

**PECKISH JUNIOR/DWARF
SMALL ANIMAL GREENS 750G**

Peckish Small Animal Greens are an important dietary staple for young, growing rabbits and guinea pigs (up to 12 months old) as well as dwarf rabbits. It can also be fed in conjunction with other grass hay to adult rabbits and guinea pigs. Made from lucerne hay grown in Tasmania, this feed is naturally high in fibre, protein and calcium. For young rabbits and guinea pigs, this can assist in their growth and keep their bones strong as they transition into adults. For older rabbits and guinea pigs, this can assist with reproduction, cell renewal and tissue repair.

PECKISH TIMOTHY GREENS 750G

Peckish Timothy Greens are an important dietary staple for rabbits and guinea pigs, and should make up approximately 75% of their diet. Grown in Tasmania, timothy hay is naturally high in essential fibre to assist in balancing their digestive system. As your rabbit or guinea pig grazes on the hay, they are benefitting their dental health as chewing wears down their growing teeth and also keeps them physically active and mentally stimulated. Peckish Timothy Greens can be fed in conjunction with other Peckish Small Animal Feeds and Treats.

**PECKISH PASTURE GREENS 750G -
ROSE & MARIGOLD**

Peckish Timothy Greens “Rose & Marigold” is an important dietary staple for rabbits and guinea pigs, and should make up approximately 75% of their diet. Grown in Tasmania, timothy hay is naturally high in essential fibre to assist in balancing their digestive system. As your rabbit or guinea pig grazes on the hay, they are also benefitting their dental health as chewing wears down their growing teeth.

**PECKISH PASTURE GREENS 750G -
ECHINACEA & HIBISCUS**

Peckish Timothy Greens “Echinacea & Hibiscus” is an important dietary staple for rabbits and guinea pigs, and should make up approximately 75% of their diet. Grown in Tasmania, timothy hay is naturally high in essential fibre to assist in balancing their digestive system. As your rabbit or guinea pig grazes on the hay, they are also benefitting their dental health as chewing wears down their growing teeth.
