SERVICE

We are your Experts for Servicing Motor-Spindles, Electric Motors, Boring Units, Processing Aggregates and Servomotors!

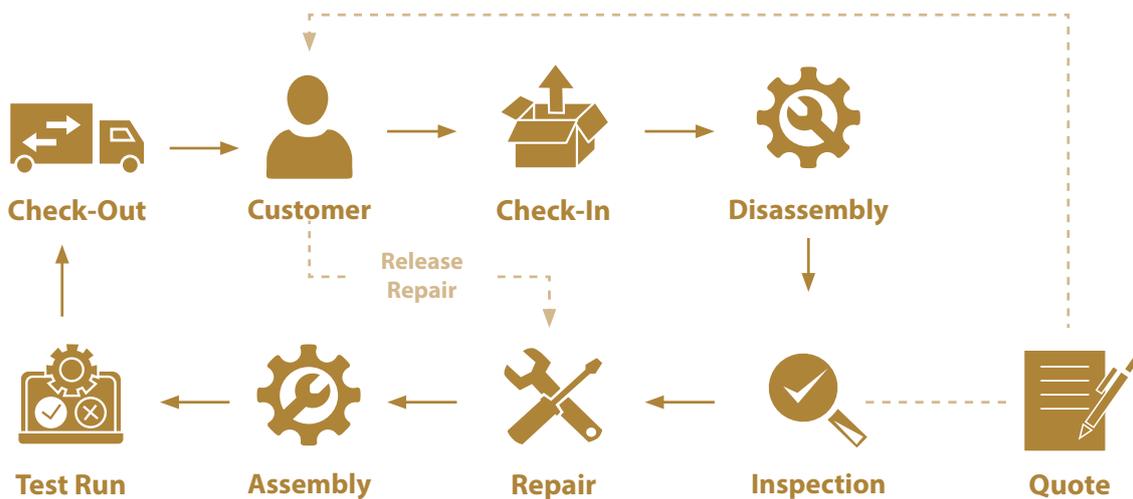

Your comprehensive customer benefit through our service

- Maximization of machine uptime
- Minimization of high maintenance costs
- Reduction of high costs for new spindles through fast and professional repair service
- 24/7 Round-the-clock emergency service
- 12 months warranty after delivery
- Express service within 24 hours (if technically possible)
- Free storage of Motor-Spindles after repair for max. 2 years

Repair Service for Motor Spindles, Electric Motors, Boring Units, Processing Aggregates and Servomotors from all well-known manufacturers:

ARO, ATEMAG, BENZ, BOSCH, BRE.MA., CHIRON, CMS, G. COLOMBO, DECKEL MAHO, ELTE, EMOD, FANUC, FISCHER, FM UMBRA, FOM, GAMFIOR, GMN, HAAS, HITECO, HSD, IBAG, IMA, JÄGER, KESSLER, LENZE, MAKA, OMLAT, PERSKE, RECKERTH, SACCARDO, SCM, SIEMENS, SMZ, STÖBER, TEKNOMOTOR, UNITEAM, WEEKE, ZIMMER and much more!

FAST AND PROFESSIONAL REPAIR SERVICE AVAILABLE AT ANY TIME

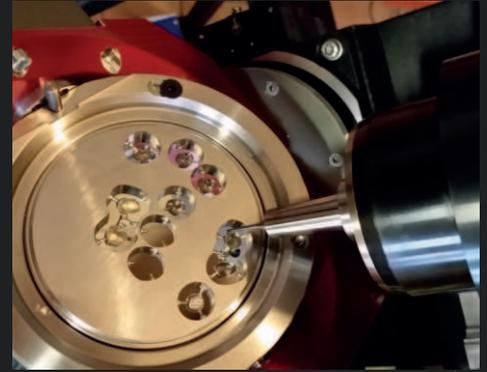

YOUR ONE-STOP RESOURCE

... for a long-term success

CROSS-SECTORAL AND ALWAYS FOCUSED

Motorized Spindles, Adapted Drive Systems and complete Accessories for Industrial Production with CNC Machines and Robots.

OUR COMMITMENT

Starting by calculating the machining task to the selection of the right motor-spindle and the design of the entire drive package, including safety technology, HS Drive TeC is your complete system solution provider. Of course, all of this is completed by our outstanding after-sales service.

You can always rely on HS Drive TeC to deliver consistently high quality!

FOCUSED ON THE FUTURE – WE ARE COMMITTED TO YOUR SUCCESS.
OUR EXPERT KNOWLEDGE FROM OVER 30 YEARS OF EXPERIENCE
COMBINED WITH FUTURE-ORIENTED ACTIVITY IS
AVAILABLE FOR YOU AT ANY TIME!
