PRESS RELEASE

Paris, Jan. 29 2025

VESTA Defense will attend IWA 2025 (booth 6-213)

Global leader in less-lethal protection equipment VESTA Defense announces its inaugural participation at IWA Outdoor-Classics 2025 in Nuremberg, Germany. The company, which distributes its premium defense solutions across 35 countries, will showcase its comprehensive range of less-lethal pistols, rifles, upgrades and specialized ammunition at Booth #6-213.

"Our presence at IWA 2025 represents a significant milestone in our global expansion," said Armen EKMEKDJE, CEO of VESTA Defense. "We invite security professionals and industry leaders to discover our less-lethal solutions and explore partnership opportunities."

Security professionals and authorized dealers are welcome to visit VESTA Defense at Booth #6-213 to experience their latest innovations in less-lethal technology.
