

DeliBest Cat Snack: Specialized Snacks for Cat Health

Interzoo
Booth 2-433

Enrich your product offering with our DeliBest Cat Snack series, renowned not just for its quality but also as a specialized solution for cat health care.

With an impressive 93% fresh meat content in each snack, our gently grilled meat strips offer a premium nutrition option for the cat assortment in your store. The selection includes three special types of meat, each supplemented with carefully selected additives to meet the varied health needs of cats:

- **Intense Flavor: Guaranteed by our special grilling method**
- **100 % gluten-free: Ideal for nutrition-sensitive cats**
- **High meat content: 93% fresh meat for taste and vitality**
- **Targeted health support: With valuable additives such as green-lipped mussel extract, biotin, and flaxseed**
- **Made from fresh Swiss meat**

By incorporating the DeliBest Cat Snack series into your assortment, you offer your customers an appealing option to enhance their cats' well-being. Visit us at booth 2-433 at the next fair to learn more about the benefits and potential of our DeliBest Cat Snacks firsthand. More information on delipet.com

Chicken with green-lipped mussel extract

This variant is specifically designed to support joint health, ideal for offering to customers who value their cats' mobility.

Veal with flaxseed

Enriched with unsaturated fatty acids, this variety is optimal for promoting a shiny coat, an attractive addition to your product range.

Deer with biotin and green-lipped mussel extract

Specially developed for skin and coat care, this snack offers a compelling combination for customers focused on their cats' healthy coats.
