

Peli Products to Showcase the new Peli™ Air 1705 Long Case at Enforce Tac 2025

Barcelona – January 2025 — Peli Products, S.L.U., the world leader in high-performance protective cases, temperature-controlled packaging, and advanced portable lighting solutions, is pleased to announce the presentation of the **Peli™ Air 1705 Long Case** at **Enforce Tac 2025**. This leading trade show, dedicated to law enforcement, security, and tactical professionals, offers an ideal stage for showcasing this cutting-edge case, now a trusted solution for users worldwide.

Originally launched in late 2024, the **Peli™ Air 1705** has already earned praise for its combination of exceptional durability and lightweight construction, making it the go-to choice for transporting long, oversized gear such as AR pistols, personal defense weapons and takedown shotguns. With its spacious interior dimensions (81,3 x 30,9 x 16,5 cm) and renowned protective features, the Peli™ Air 1705 redefines portability for demanding professionals.

Weighing up to 40% less than standard polymer cases, the Peli™ Air 1705 offers unmatched convenience without sacrificing strength or protection. Its rugged design is **IP67-rated**, ensuring it is dustproof and waterproof, and it meets **military specifications** for durability in the toughest environments. The case also features an automatic purge valve to balance air pressure during altitude changes and over-molded handles for secure, comfortable carrying.

“We’re excited to present the Peli™ Air 1705 Long Case at Enforce Tac 2025, a premier event for tactical and security professionals,” said Ebru Doyuran, Product Marketing Manager of Peli Products. **“This case was engineered to meet the needs of those who demand lightweight yet robust protection for their specialized equipment. It’s a product that truly speaks to Peli’s legacy of innovation and reliability.”**

Enforce Tac 2025 will take place from **February 24–26 in Nuremberg, Germany**, bringing together industry leaders and decision-makers in the fields of law enforcement, security, and defense. Visit Peli Products at **Hall 7A Booth 645**, where attendees can experience the Peli™ Air 1705 Long Case firsthand, along with a full range of trusted Peli™ solutions.
