Industrial Oil | Feed, Seed & Agro Products | Garden & Agriculture
Packaging | Vacuum Bagging Films | Agricultural Films & Pond
Liners | Specialty & Technical Products

Product Highlights

Recyclable

Improved Design for Recyclability

- Mono Material All PE
- EVOH Based Recyclable Barrier
- Nylon Based Barrier

Recycled

PCR/PIR BASED FORMULATED FILM

Bio-Based PE Polymers

Bio-Based Resins are Produced From Renewable Polymers

xtraclear^{plus}

WATER QUENCH CO-EXTRUDED BARRIER FILMS

Xtra Clear Plus water-quenched co-extruded films are an innovative packaging solution that offers unparalleled clarity, strength, and protection to food products. They are tailored to meet each customer's unique requirements through advanced extruders, giving your product an extra-competitive edge. With superior clarity, your product is sure to stand out on store shelves, while its strength ensures freshness & protection during transit and storage.

Breakthrough Creations

VISHVACU[®]

Vacuum Pouches & Bags for Every Need

- Exceptional transparency and seal properties
- High puncture resistance and tearing
- Excellent mechanical properties

VISHFORM[®]

XTRA CLEAR plus Superior Formable Film

- Wide range of oxygen transmission rates – for an increased packed product shelf life.
- Superior Forming and deep-draw properties.
- Excellent gloss & clarity.

VISHTOP[®]

Multilayer flexible & laminated films for tray lidding

- Superior mechanical properties at low thickness.
- Wide variety of easy and lock seal options with different substrates.
- Special seal layer – seals at low temperature through liquid products.

VISHBARR[®]

Barrier Films for Vertical Form, Fill & Seal (VFFS) Applications

- High resistance to oil and solvents.
- Low leakage and high filling rates provide more profit to users.
- Excellent strength allows down gauging of the thickness and superior stiffness.

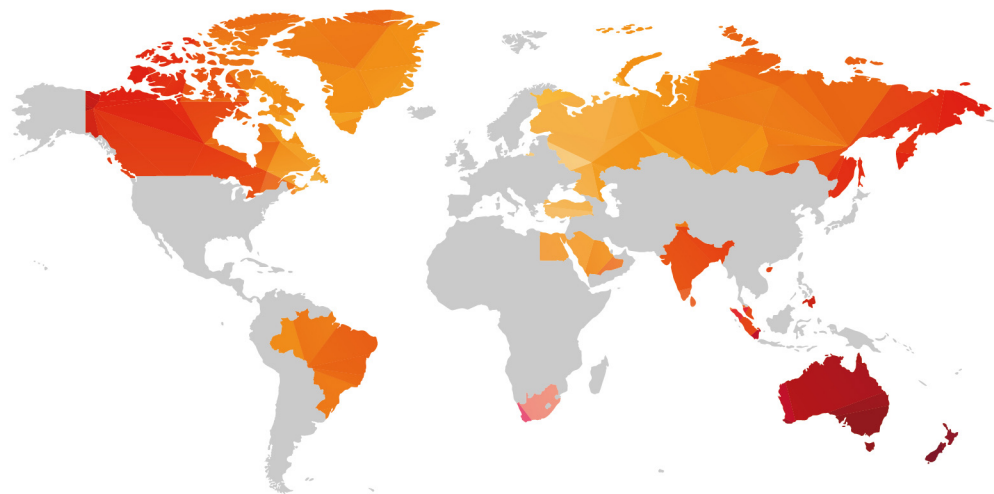

VISHLAMI[®]

Versatile Lamination Films

- Excellent barrier against moisture, gas, oxygen, and aroma.
- Exceptional printability.
- Low leakage and high filling rates provide more profit to users.

Expanding Journey

Corporate House No. 9, Vishakha House
Inspire Business Park, Adani Shantigram,
Vaishno Devi Circle, Sarkhej - Gandhinagar Hwy,
Ahmedabad – 382421. Gujarat, India.
