We are a specialized supply chain company focused on the European pet market and will be your top choice.

## About Us

The pet industry is thriving, and we aim to introduce innovative, cost-effective products into the German market. So far, we have assisted brands from China, the USA, Italy, and other countries in entering the German market. At the same time, we are working to discover emerging German brands and help them expand their sales channels in Germany and Europe.

## Company Profile

DFSJ is a supply chain company based in Düsseldorf, Germany. The business scope includes warehousing logistics and e-commerce. Its subsidiary, PurpleRainPet, operates a one-stop shopping platform for pet owners in Germany and Europe. The brand has its own e-commerce website and utilizes various distribution channels, including major e-commerce platforms in Europe such as Amazon, Ebay, Otto, Kaufland, as well as offline channels.

DFSJ currently has an efficient team spanning multiple locations and a warehouse area of approximately 4000 square meters strategically located at the Duisburg port in Germany. The handling area exceeds 2000 square meters with 6 efficient unloading docks and a warehouse height of up to 12.5 meters. With over 4000 high-level storage spaces, we adhere to professional, efficient, and fair business practices, striving to meet the needs of our customers. We provide highly competitive multi-channel supply chain solutions and international import-export e-commerce services. Our commitment is to consistently address customer issues and establish strong business relationships with our partners.
