PACKO **SMART**

## SELF-SEALING PACKAGING

PROTECT, PACK AND MAIL IN ONE OPERATION  
WITHOUT PLASTIC

### APPLICATIONS

- ▶ Enables protection, packaging, and shipping in one operation.
- ▶ Establishes a committed and recognizable identity.
- ▶ Creates a unique visual footprint.
- ▶ Reduces the use of plastics and unnecessary packaging.
- ▶ Adapts to packaging of variable sizes.
- ▶ Alternative to bubble mailers or boxes.
- ▶ Alternative to small boxes and void-fill materials.

**A COMPLETE RANGE OF SELF-SEALING PACKAGING**  
COMPLIANT WITH THE PPWR LAW

COMPLIANT

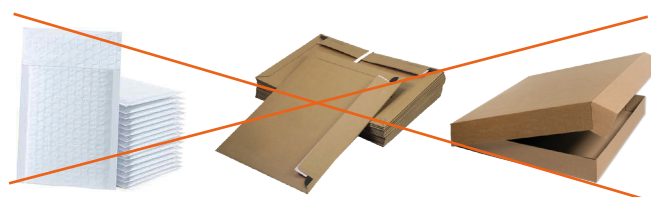

PACKO SMART SINGLE FACE

### SINGLE-FACE CORRUGATED SELF-SEALING BOARD

Water-based coating

A SUSTAINABLE ALTERNATIVE
