## Manufactured in a Reliable Production Environment by Twell

Boniff treats are produced directly by twell Agricultural Corporation in hygienic facilities certified with both HACCP and ISO international standards.

HACCP

ISO 9001

ISO 14001

ISO 22000

Hygienic  
Manufacturing

Safely produced in clean facilities that prioritize cleanliness and strictly adhere to sanitary standards.

Sanitary  
Management

All employees are required to wear sanitary uniforms, and all equipment and workspaces are regularly disinfected.

Quality  
Inspection

Professional quality checks and a systematic safety management system help maintain freshness and high product quality.

## Veterinary Research-Based

In collaboration with veterinary school faculty, patented ingredients have been developed to provide verified health solutions for pets.

## Produced in HACCP-Certified Facility

Ensures high safety and product quality standards.

## First in Korea to Use Functional Pet Ingredient 'Implacell'™

Enhances immune system and provides anti-inflammatory benefits with the patented 'Implacell'™, a functional ingredient for pets.
