

Sustainable solutions to drive food safely to the world

Who we are

Oben Group is a modern industrial group with manufacturing operations in 9 countries, a direct presence in more than 17 countries and with sales to more than 40 countries across South America, Central America and The Caribbean, North America, Europe and Africa.

We are the only company in the Americas with a diversified portfolio that includes BOPP, PP Cast, BOPET, BOPA, BOPE, Extrusion Coated, Thermoforming Products and PET Straps.

Our machinery has the latest technology, which allows us to operate with efficiency and high-quality standards.

Today, Oben Group is the No. 1 company in film production capacity for flexible packaging throughout the Americas.
