SINCE 1974

URMAK®

About Us Hakkımızda

URMAK AMBALAJ, that has been found in 1974, continues its activities with its production quality and innovations since its foundation until today at packaging sector.

It is serving to Turkish and global markets with plastic strapping machines, which has been produced as first in Turkey by URMAK AMBALAJ, steel strapping machines, polyester tensioner machines and many more products.

It is going ahead on the way of being a trustable brand, that known in a lot of countries at global market with its quality products and as improving itself for 45 years.

Our company, that has moved to its new factory in 2013, continues its activities on about 3000m² covered zone and in total 4000m².

1974 yılında kurulan firmamız kurulduğu yıldan günümüze kadar ambalaj sektöründe yenilikleriyle ve üretim kalitesiyle faaliyetlerine devam etmektedir, türkiyede ilk kez URMAK AMBALAJ tarafından üretilen plastik çember makinası çelik çember makinası polyester germe makinası ve daha bir çok ürün ile türkiye ve dünya pazarına hizmet vermektedir.

45 yıldır ambalaj sektöründe büyüyerek kaliteli ürünleri ile dünya pazarında birçok ülke tarafından tanınan güvenilir bir marka olma yolunda ilerlemektedir.

2013 yılında yeni fabrikasına taşınarak üretim kapasitesini artırmıştır 3000m² kapalı olmak üzerine toplam 4000m² faaliyetlerine devam etmektedir.

Unchanging Quality for 45 years!

- * **Quality Production**
Kaliteli Üretim
- * **Innovative Solutions**
İnovatif Çözümler
- * **Environment Friendly**
Çevre Dostu
- * **Logistics Optimization**
Lojistik Optimizasyon
