WELCOME PAMAXPETFOODS LTD!

Find our products in more than **30** countries

Pamax Ltd. is Hungary's leading premium dryfood & snack producer with an experience of 25 years.

From economy to super premium quality, we are able to cover all the developing market needs of the 21st century. With the usage of **200** different ingredients we can comply with specific requests of private label production. Moreover **80** standard recipes are ready to use and available to make it under own brand. Assortment contains dog & cat food, snacks & treats, fish, pond and rodent products.

Our knowledge leads us to win the Hungarian Quality Product Award in 2016, first among the producers from Middle-Europe. With the constant innovation of our approach and the progressing technology we are able to meet the developing needs and expectations of the global market.

Hungary's No. 1 premium pet food & snack producer

Private label production

If you have the idea, we put it into practice. Our petfood experts will find the optimal solution to meet your expectations.

Own recipes

In case if you need readymade solutions, more than 80 standard recipes are available from economy to superpremium line.

Central location

In the heart of Europe there are no distances. We can easily supply customers from all over the World.

Flexible approach

Solutions, which fit to every concepts. Ask our offer and we adjust our know-how to Your vision.

Constant innovation

Year by year we invest significant effort to improve our machinery and our professional's qualitative skills in order to fulfill the developing requirements of petfood production.

25 years of experience

It is important to know where we are coming from and where we would like to be. Our success roots back to the quarter century experience and the desire to **always be better.**
