KEY PRODUCTS 2026

**More than 30
years caring
for our pets to
share, enjoy and
celebrate life
with them**

INNOVATION, ENTREPRENEURSHIP AND CLOSENESS

Committed to animal health.

We promote animal health with innovative solutions for natural, integrative veterinary care that promotes a strong, healthy life.

We provide products of the highest quality, safety, and efficacy. Our success is based on science, research, and our values of innovation, quality, and closeness.

At Stangest, our non-conformist, entrepreneurial spirit drives us to improve animal welfare and ensure dogs and cats enjoy a good quality of life, so we can share life fully with them.

vetclinix
Derma

Advanced nutrition for the support of the skin function

- Supports the skin-gut-brain axis balance.
- Decreases itching and inflammation by repairing the skin barrier.
- High palatability and compliance thanks to the practical twist-off capsules format.

vetclinix
Microbiotic

It promotes the microbiota balance and the integrity of the gut barrier

- Contains prebiotics, 2 probiotics, postbiotics and functional nutrients.
- Supports a healthy microbiota and intestinal mucosa.
- Helps balance digestive function.

COMFORT AND WELL-BEING

CANNABIS & CBD TO SUPPORT QUALITY OF LIFE

CRONICARE OIL AND TABLETS

Cannabis for dogs and cats

- ✓ Nutritional supplement specially formulated with hemp for pets.
- ✓ Ideal for animals with higher nutritional needs or seniors.

CRONICARE SYNERGY

New-generation synergy of cannabinoids

- ✓ Combines hemp and PEA to exert synergistic effect.
- ✓ Ideal for severe cases or long-term treatments.

CRONICARE COLLAR

With sustained-release CBD

- ✓ Supports joint and neurological health and quality of life.
- ✓ Easy-to-use collar ensuring high compliance.

GASTROINTESTINAL HEALTH

FLORAVET COMPLEX

Microbiota and digestive function

- ✓ Unique blend of pre- and probiotics, plant and mushroom extracts.
- ✓ Maintains the integrity of the gastric and intestinal mucosa.
- ✓ Optimizes the absorption and digestion of nutrients.
- ✓ Available in sachets and tablets.

GASTROPROTECT

Gastric mucosa protection

- ✓ Aluminum-free, without modification of the gastric pH.
- ✓ Contains natural ingredients that promote the repair of gastric lesions and relieve pain.
- ✓ Recommended as nutritional support in cases of gastritis, ulcers, and NSAID treatments.

JOINT HEALTH

CONDRO CARE

Joint supplement with hemp, PEA and krill

- ✓ Combines essential natural ingredients to support joint health.
- ✓ Supports cartilage synthesis and joint lubrication.
- ✓ Promotes optimal mobility in dogs and cats by reducing joint discomfort.

ARTIVET COMPLEX

Joint supplement for the maintenance of joint function and mobility

- ✓ Formulated with 8 active ingredients to support optimal joint health.
- ✓ Provides key nutrients for the synthesis of collagen.
- ✓ Available in tablets for large and giant breeds.

INTERNAL HEALTH

HEPA-T-DETOX

Support of liver function

- ✓ Promotes the production of essential antioxidants to neutralize oxidative stress in the liver.
- ✓ Provides key nutrients for phases 1 and 2 of liver detoxification.
- ✓ Recommended for multi-medicated and senior animals.

UROVET-C ADVANCED

Lower urinary tract protection

- ✓ Maintains and regenerates the bladder's protective glycosaminoglycan layer.
- ✓ Helps prevent chronic, recurrent, and antibiotic-resistant urinary tract infections.
- ✓ Provides diuretic and anti-lithiatic properties while hindering pathogen adhesion in the bladder.

UROVET-RQ

Kidney protection with Phosphate binder

- ✓ Supports kidney function in dogs and cats.
- ✓ Promotes diuresis and urea excretion.
- ✓ Contains calcium carbonate as a phosphate binder, along with omega-3, amino acids, and plant extracts to optimize kidney health.

ESSENTIAL PRODUCTS

MALTA

Malt for cats and dogs

- ✓ Helps prevent hairballs and improves intestinal transit.
- ✓ Supports digestive health and overall nutrition.
- ✓ Mild laxative to prevent constipation and blockages.

MILKCAN

Formula milk for puppies and kittens

- ✓ Provides essential nutrients.
- ✓ Easily digestible with high-quality ingredients.
- ✓ Suitable from birth and as a supplement for pregnant or lactating females.

OPTICAN & OTICAN

Eye cleaner

- ✓ Soothes and lubricates for ocular comfort.
- ✓ Protects eyes from infections and external agents.

Ear hygiene

- ✓ Cleans ears effectively in dogs and cats.
- ✓ Dissolves earwax and softens scabs.

DERMATOLOGICAL HEALTH

DERMOVITAL OMEGA 3-6-9

Essential fatty acids for the skin

- ✓ Provides 8 active ingredients to support dermal health.
- ✓ Nutritional support in case of allergies, eczema, atopy, and hair loss.

HELIOVET

Sunscreen for dogs and cats

- ✓ Broad-spectrum protection in cream and spray.
- ✓ Formulated with Fernblock®, green tea, and plankton for antioxidant and DNA-repairing effects.
- ✓ Lightweight, fast-absorbing, and water-resistant.

SHAMPOOS

Dermatological shampoos

- ✓ DERMOSEL SHAMPOO: Dry and oily seborrhea.
- ✓ M-DERM SHAMPOO: Pyoderma and Malassezia.
- ✓ DERMOVITAL SHAMPOO: Pruritus and atopic dermatitis.

ORAL HEALTH

DENTICAN

Daily oral hygiene

- ✓ Triple action: eliminates bad breath, controls plaque, and reduces tartar.
- ✓ Effective solution for oral health.
- ✓ Easy to apply as a spray or dissolved in water.

DENTIVET SPRAY

Complete oral care

- ✓ Gentle care for sensitive gums and teeth.
- ✓ Provides a desensitizing and astringent action.
- ✓ Contains Lysine and Glycine to promote gum regeneration.

DENTI'SAN

Oral nutritional support

- ✓ Helps prevent tartar, plaque, and bad breath in dogs and cats.
- ✓ Made with Kelp Algae and other natural ingredients.
- ✓ Powder format for practical administration.
