MOLD BASE

- Medium-Large Size
- Customized
- Die Casting Die
- Plastic Injection Mold

PRECISION MANUFACTURING

- 5-Axis & 3-Axis CNC Machining Center
- CMM Dimensional Measurement
- Digital Management System MES/ERP

DIE CASTING

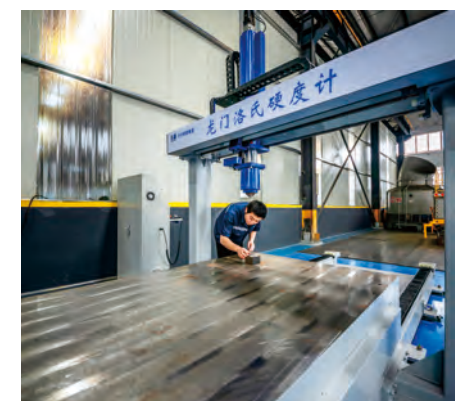

- Sole Agent of KIND&CO Edelstahlwerk
- Vacuum Heat Treatment Service
- German Technology

KIND&CO
EDELSTAHLWERK

for a successful co-operation with

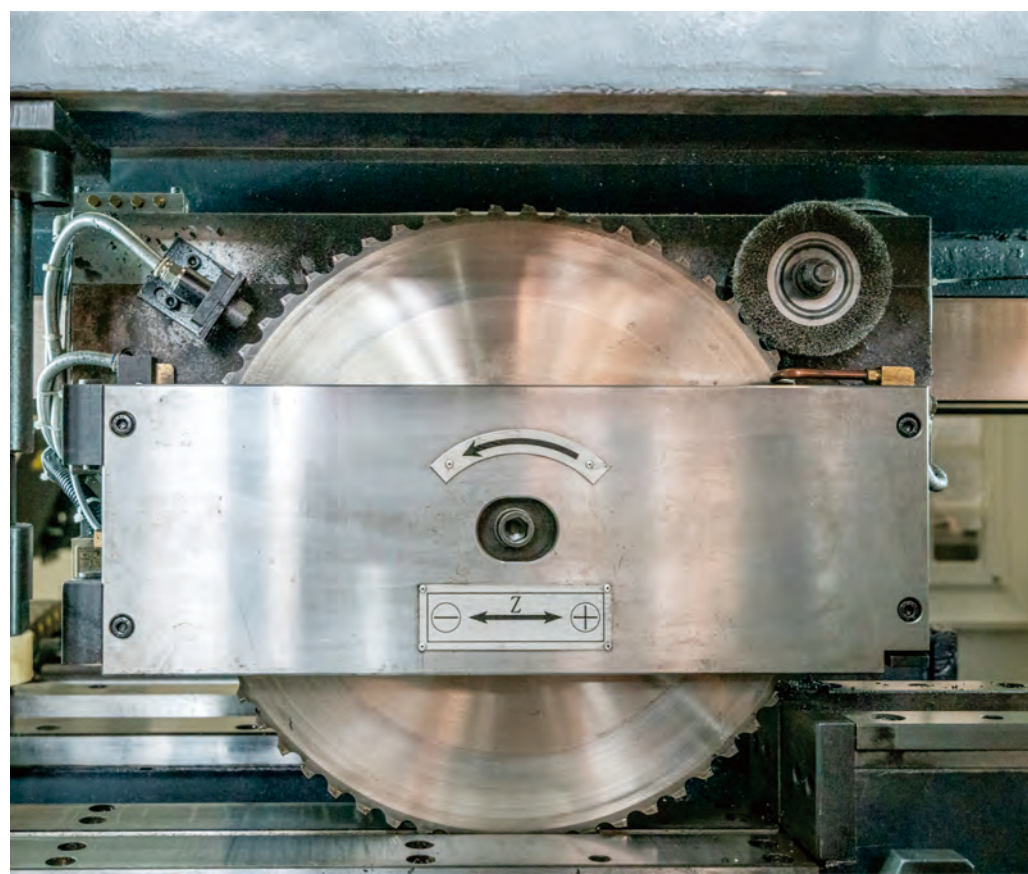

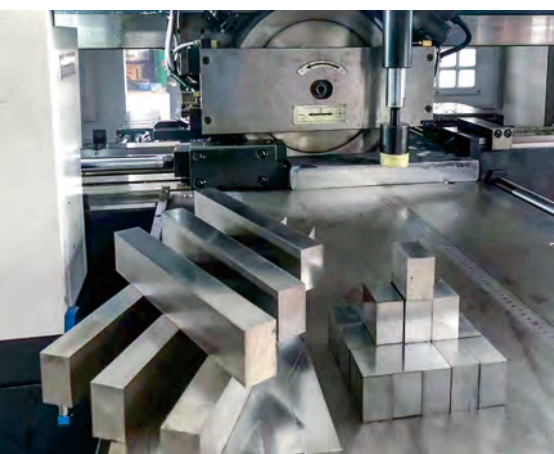

NINGSHING
PRECISION
MACHINERY

CNC CIRCULAR SAWING MACHINE

- R&D by Ningshing, First Set in China
- GKL2310/1610/1310/1010/610, GKF4500
- High Speed & High Precision

TECHNICAL SERVICE

- Quality Control
- Technical Consult
- Failure Analysis
- R&D New Product

OVERSEAS SERVICES

30+ YEARS
DEEP IN THE DIE &
MOULD INDUSTRY

30+ EXPORT TO
OVERSEAS
COUNTRIES

100+ LONG-TERM
STRATEGIC
PARTNER

Main Honors

ISO9001 Quality Management System Certification

Key Backbone Enterprise in China's Mold Manufacturing Service Industry

Excellent Mold Material Supplier in Mold Industry

The Most Influential Enterprise in China's Tool and Die Steel Supply Chain Service

TOP 100 Service Enterprises in Ningbo

TOP 100 Competitive Enterprises in Ningbo

Star Enterprise of Service Industry in Jiangbei District

Member of China Heat Treatment Industry Association and Ningbo Mold Industry Association

National High-Tech Enterprise, National Science and Technology SME

Selected into Zhejiang Province's "Professional, Proficient, Special, New" SME Incubator
