

GDPR-compliant Cookie Solution “Cookie Banner”

Compliance

Make your Website GDPR- & ePrivacy-compliant

- ✓ Easy to integrate with Copy & Paste
- ✓ Automatic blocking of Cookies & 3rd-Party Codes when no consent is given
- ✓ Includes predefined Texts in 30+ Languages
- ✓ Compatible with all Tag-Managers, CMS-Systems and Shop-Systems
- ✓ consentmanager is a CMP certified by Google
- ✓ Support for Google Consent Mode v2 already integrated – ready & start with only a few clicks

Crawler

High Compliance thanks to automatic Cookie-Crawler

- ✓ Finds all cookies & categorizes them (e.g. Marketing, Analytics and so on)
- ✓ Finds all 3rd Party Vendors and Codes on your website
- ✓ Compliance Test: Checks if your website really only sets cookies if consent is given

Optimization

Deliver the best Design to improve Acceptance & Revenue

- ✓ Designs & Texts of the Cookie-Banner can be fully customized to your design
- ✓ Many Reports & Analytics to better understand your visitors
- ✓ Integrated A/B-Testing & Optimizing via Machine Learning shows the best design to each visitor therefore increases acceptance rates

Only EU-Servers,
no US-Cloud Providers!
