PALLET WRAP

STRETCH FILMS

FLEXIRAP™ ELITE

- STRETCH FILM – UPTO 350% & 5 MICRON THICKNESS
- Premium Machine Stretch Film with 300% Stretch Unparalleled
- Puncture & Tear Resistance, and Load Holding Force.
- Variety of Colors available.

FLEXIRAP™ STRETCH HOOD

- Layers of FLEXIRAP films cling to the package even at high stretch levels.
- High tear resistance offers maximum security around sharp corners, edges.
- Maximizes any equipment's stretch potential for excellent yield.

FLEXIRAP™ SHRINK FILM

- Excellent Sealing, Shrinkage & Elasticity
- Maximizes product protection
- Ideal product protection against tampering and pilferage
- Allows packaging of various sizes and shapes
- Variety of Colors available

FLEXIRAP™ PRE-STRETCH

- High performance, puncture and tear resistance at thinner thickness
- Less film consumption and thus lower packaging and waste disposal costs.
- More meters per roll for reduced storage space and fewer roll changes during processing
- High retention forces for best pallet stability

FLEXIRAP™ NANO FILMS

- Absolute perfect match for most of the arm wrapper and turn-table wrapper.
- Achieves the highest holding force with thinner gauge.
- High tear resistance to avoid film breakage at sharp corner
- Cost saving and high holding force
- Quality is consistent and high traceability

FLEXIRAP™ SILAGE/WASTE WRAP

- Enriched feed nutrition values
- Tighter wrapped bales
- Great barrier protection, resistant to dust, water, and climate conditions
- Excellent bail protection
- Puncture and tear resistant
- Withstands the rigors of large, individual square, and round bales
- Improved productivity

Shrinath Flexi Pack is equipped with state-of-the-art infrastructure facilities. Our modern & highly automated machines provide accurate film gauge and width control. This is supported by our laboratory facility to ensure total quality control.

- Globally Reputed Film Extrusion Lines
- CAST LINES - COLINES & SML
- BLOWN LINES- KOLSITE, INDIA
- In-House Ultra Modern Testing Facility
- Total Quality Control

- Manufacturing Facility spread over 60,000Sq. Ft.
- Market presence in Europe,UK, USA,
- Middle East Countries & Australia.
- Existing capacity of 29,000 Tonnes/annum

Manufacturing Units

HYDERABAD, INDIA

Capacity: 14,000 Mt/Annum

ABU DHABI, UAE

Capacity: 12,000 Mt/Annum

AURANGABAD, INDIA

Capacity: 3000 Mt/Annum
