MR. ROPE

US

Our main products:

We specialize in the design, development, and manufacturing of pet supplies, including chew rope toys for dogs and cats, leashes and collars, horse lead ropes, and bird perches.

WE HOPE **FUTURE**

We aspire to bring both pets and their owners a range of pet toys and accessories that blend practicality, amusement, and art together.

Let us share your joy!

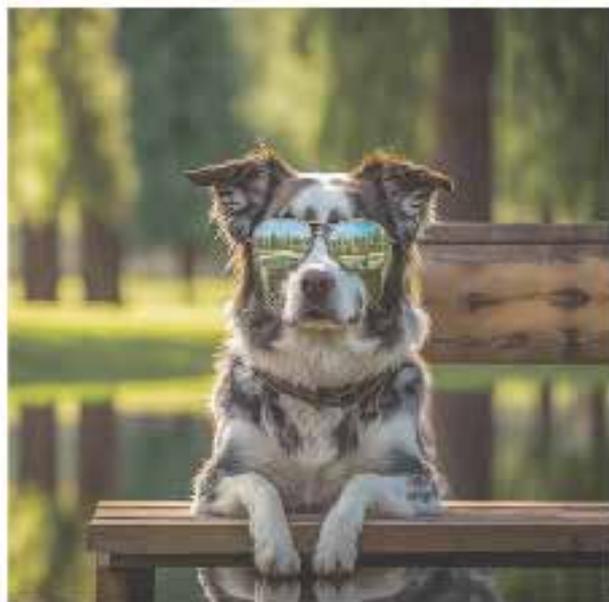

WHERE

Where is its playground?

Home, pool, park, lakeside, beach, and more.

[Interactive] [Floating] [Sound Producing] [Treat Dispensing]

A comprehensive range of toy styles covering all scenarios, offering diverse play options and amusements.

LIKE

What is its favorite toy?

Having a delightful playtime is a wonderful experience,
and having the right toy is indispensable.

[High-Quality Safe Materials] [Durable and Bite-Resistant Craftsmanship]

[Playful and Fun Designs]

Chew with assurance, Play with joy!

What is your dream life with it?

In the everyday life, treat it with tenderness, live with it at ease.

Happiness lies not just in having it,
but in the joy of sharing those happy moments with it!

Our Philosophy

In the contemporary pet-keeping lifestyle, pets are our friends and family members.

To get on well with them, MR. ROPE is committed to seeking a balance in the relationship between humans and pets in the future. We aim to foster a deeper understanding of pets, promoting better companionship. Through professional and thoughtful design, along with excellent production, we strive to provide customers with a range of interesting and entertaining pet toys and accessories.

Have fun with you!

- 1991 -

Mr. Lin, the founder of the company, started to engage in the business of rope products, mainly in the manufacture of horse ropes.

- 1996 -

Wenzhou factory of MR.ROPE was established and officially started the production and manufacturing of rope pet toys, which was the first professional manufacturer of rope pet products in the industry.

- 2019 -

Started construction of MR.ROPE's factory in Cambodia, Southeast Asia.

- 2018 -

Started construction of MR.ROPE's new factory in Wenzhou.

- 2016 -

We have established direct partnerships with major pet supermarkets such as Petsmart in the US, PetValu in Canada, and Pets at Home in the UK.

- 2015 -

Established a direct partnership with petco, a large supermarket chain in the U.S.

Company Overview

Since its establishment in 1996, MR. ROPE has remained steadfast in its dedication to designing and developing premium pet rope toys and accessories. The brand consistently advocates top design and qualities to upgrade industry standards.

Over the past few decades, MR. ROPE has crafted tens of millions of hot products for hundreds of global pet product companies and chain retailers.

- 2000 -

MR.ROPE Shanghai factory started construction.

- 2002 -

MR.ROPE Wenzhou factory was relocated to Shanghai and registered as Shanghai Xinjian Pet Products Co.

- 2003 -

The company fully started the self-export of products and completed the major transformation of customer base for the first time.

- 2015 -

The company's sales exceeded USD 10 million for the first time.

- 2014 -

Established cooperation relationship with Dollar Tree in the United States, which is the first terminal large supermarket partner of the company.

- 2009 -

The company completely eliminated the first generation of old rope making equipment and started to invest in brand new equipment.

Design Innovation

DESIGN

MR.ROPE places great emphasis on the design and development of new materials and products. We delve not only into styles but also materials, user experiences, and sustainable development to provide optimal support for our diverse range of new products.

USER

Product Testing & User Feedback

Meanwhile,
We have close connections with hundreds of longtime pet owners
and pet clubs in china to discuss the testing and development of new products.

Sustainable Resource Utilization

Environmentally Friendly Materials can Significantly Reduce Energy consumption And Greenhouse Gas Emissions.

PROTECT OUR EARTH, FOR A BETTER TOMORROW
