PAXLY

The Digital Platform for Packaging Procurement

PAXLY makes packaging procurement digital, fast, and transparent – combining the perfect mix of technology and expert knowledge.

With PAXLY, you benefit from automated tenders, data-driven decisions, and personal consulting, delivering measurable results.

- **5× faster procurement process**
- **Average 20% cost savings on packaging**
- **100% fair pricing thanks to full market transparency**

Success Story with Burda

"With PAXLY, we were able to significantly reduce our own effort while achieving better results! This is reflected both in the quality of the purchased products and in the purchasing prices and conditions."

NILS HONERLA
CEO - BURDA PROCUREMENT GMBH
