50 Years of Trust and Experience in the Refrigeration Industry

Imamoglu Cooling is a leading Turkish manufacturer of industrial refrigeration and cold room systems, with manufacturing expertise rooted in the 1970s. Since establishing its corporate identity in 1994, the company has evolved into a globally recognized production brand, exporting to over 100 countries worldwide.

Its portfolio encompasses high-performance cold room doors, locks, hinges, gaskets, aluminum profiles, and precision-engineered accessories for industrial refrigeration and commercial kitchen applications.

Anchored in quality, reliability, and sustainable manufacturing principles, Imamoglu Cooling delivers long-lasting, high-efficiency solutions for cold storage, food processing, hospitality, and medical sectors—supported by advanced production capabilities and a highly skilled team.
