COMPANY PROFILE

RIZHAO XINAO PLASTIC PRODUCTS Co.,Ltd was set up in 2000 and got the right of import and export in 2003.WEIFANG DAIJIANG PLASTICS CO.,LTD was founded and invested by RIZHAO XINAO PLASTIC in 2016 , which is in weifang city Shandong China, we specialize in the production of all kinds of plastic bags and related items . The company enjoys the right of import and export . With the rapid development of the company , we began to invest in industrial enterprises in Weifang city , now we have Daijiang/Xinao brand , a total of 4 plants with investment is USD1,500,000 and registered assets USD2,000,000.The company covers an area of 35,000 square meters , now there are 200 staffs in the factory and 120 sets of machines which produce all kinds plastic products.

The main products include HDPE/LLDPE/LDPE T-shirt bags and on roll , stripe T-shirt bags , Garbage bags and on roll,Star seal bags on roll(with pp string and without) , wave top bags , C-fold bags on roll , Die cut handle bags , Save blocked bags,calendar bags , food bags , freezer bags , Nappy bags with perfume , printing bags , biodegradable plastic bags , gloves , aprons , drawstring garbage bags etc.All products are exported directly to 40 countries such as the United States , Panama , Brazil , Chile , Costa Rica , Greece , France , Germany , Romania ,Serbia , Bulgaria , Moldova , Czech , Hungary , Ukraine , the United Kingdom , Germany , Italy , Poland , Sweden , Dubai , Israel and Russia , and we have won praise from guests all over the world.The yearly production ability is 15000 tons.

We have obtained BRC , BSCI , SC-GRS and ISO 9001 certifications to support our market growth . The company always put “the quality first and credit first”as the principle , and always strengthen quality management according to ISO9001 quality controlling system which is the emphasis of the company’s work. Now the company has become a famous producer of plastic bags , with a high reputation around the world due to the high quality products and competitive price. In order to offer clients the best service , the company can help clients design the requirement , the company has established long-term and fixed business relations with many clients from all over the world.

I believe as a professional and reliable manufacutre partner here , we could develop,win-win together and make a splendid future.

CERTIFICATIONS

WORKSHOP

TEST EQUIPMENT

DRK101

Suitable for paper, cardboard, plastic film, composite film, flexible packaging materials, adhesives, adhesive tapes, stickers, rubber, paper, plastic aluminum panels, enameled wires, non-woven fabrics, textiles, waterproof materials, triangle belts and other products. Tensile performance test.

Measure the tensile strength, tensile strength, peel strength and elongation of aluminum foil and aluminum-plastic tape.

Measure the tensile strength, elongation and tensile modulus of plastic film.

Measure the heat-sealing strength, tensile strength, and peel strength of food bags.

DRK135

Films and sheets are suitable for impact resistance testing of plastic films, sheets and composite films with a thickness of less than 1mm. Such as PE cling film, stretch film, PET sheet, food packaging bags of various structures, heavy packaging bags and other aluminum foil, aluminum-plastic composite film, suitable for impact resistance test of aluminum foil, aluminum-plastic composite film, paper, cardboard test It is used to test the impact resistance of paper and cardboard.

BOTTOM STAR SEAL FLAT TOP

Material: HDPE/LDPE/GRS Recycled
Material/Green PE
Capacity: 4-100 Gallon/10-200L or Customized
Color: Natural or Any Color Customized
Thickness: 5-100mic Customized
Printing: Gravure Printing, Customized
Random printing, Register printing
Packaging: Perforated on roll/ Interleaved
on roll/Loose pack
Certification: BRC, ISO9001, BSCI, GRS

BOTTOM STAR SEAL WAVE TOP

Material: HDPE/LDPE/GRS Recycled Material/
Green PE
Capacity: 4-100 Gallon/10-200L or Customized
Color: Natural or Any Color Customized
Thickness: 5-100mic Customized
Printing: Gravure Printing, Customized
Random printing, Register printing
Packaging: Perforated on roll/Interleaved
on roll/Loose pack
Certification: BRC, ISO9001, BSCI, GRS

BOTTOM STAR SEAL TIE HANDLE

Material: HDPE/LDPE/GRS Recycled
Material/Green PE
Capacity: 4-100 Gallon/10-200L or Customized
Color: Natural or Any Color Customized
Thickness: 6-100mic Customized
Printing: Gravure Printing, Customized
Random printing, Register printing
Packaging: Perforated on roll/Interleaved
on roll/Loose pack
Certification: BRC, ISO9001, BSCI, GRS

T-SHIRT BAG ON ROLL C-FOLDED

Material: HDPE/LDPE/GRS Recycled
Material/Green PE
Capacity: 4-100 Gallon/10-200L or Customized
Color: Natural or Any Color Customized
Thickness: 6-100mic Customized
Printing: Gravure Printing, Customized
Random printing, Register printing
Packaging: Perforated on roll/Interleaved on roll/
Loose pack
Certification: BRC, ISO9001, BSCI, GRS

DRAWSTRING BAGS INTERLEAVED ON ROLL

Material: HDPE/LDPE/GRS Recycled
Material/Green PE
Capacity: 4-100 Gallon/10-200L or Customized
Color: Natural or Any Color Customized
Thickness: 10-100mic Customized
Printing: Gravure Printing, Customized
Random printing, Register printing
Packaging: Interleaved on roll
Certification: BRC, ISO9001, BSCI, GRS

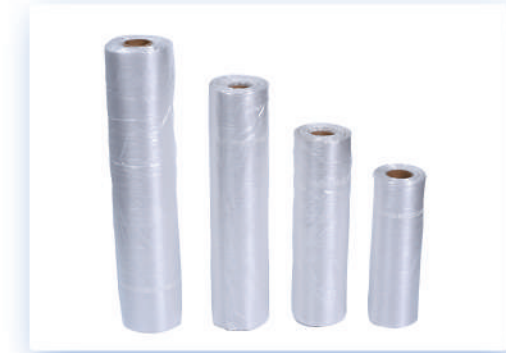

DRAWSTRING BAGS PERFORATED ON ROLL

Material: HDPE/LDPE/GRS Recycled
Material/Green PE
Capacity: 4-100 Gallon/10-200L or Customized
Color: Natural or Any Color Customized
Thickness: 10-100 mic, Customized Thickness
Printing: Gravure Printing, Customized
Random printing, Register printing
Packaging: perforated on roll, Boxed,
Customized Packaging
Certification: BRC, ISO9001, BSCI, GRS

FOOD BAGS ON ROLL

Material: HDPE/LDPE
Capacity: 0.5-3L or Customized
Color: Transparent, Customized Color
Thickness: 5-100mic Customized
Printing: Logo Printing, Customized Designs
Packaging: On Rolls, Flat pack, Customized
Packaging
Certification: BRC, ISO9001, BSCI, GRS

FREEZER BAGS ON ROLL

Material: HDPE/LDPE
Capacity: Customized
Color: Transparent, Customized Color
Thickness: 5-100mic Customized
Printing: Logo Printing, Customized Designs
Packaging: On Rolls, Flat pack, Customized
Packaging
Certification: BRC, ISO9001, BSCI, GRS

FOOD BAGS WITH BLOCK HEADER

Material: HDPE/LDPE
Capacity: Customized
Color: Transparent, Customized Color
Thickness: Customized
Printing: Logo Printing, Customized Designs
Packaging: Flat pack, Customized Packaging
Certification: BRC, ISO9001, BSCI, GRS

PE GLOVES

Material: HDPE
Capacity: S, M, L, XL, XXL or Customized
Color: Transparent or Any Color Customized
Thickness: Customized
Packaging: Dispenser Bag Pack, Block Pack, Dispenser Color Box Pack, Carton or Customized
Certification: BRC, ISO9001, BSCI, GRS

PE APRONS

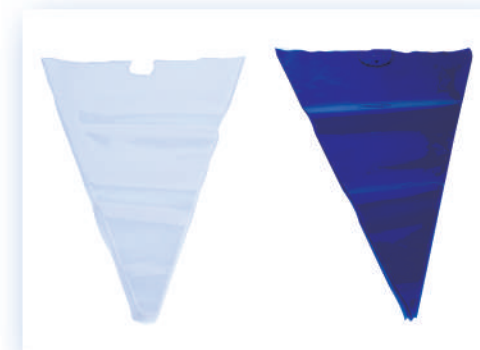

Material: HDPE/LDPE
Capacity: Width:40~90cm Length Customized
Color: Yellow, Red, Blue, White, Green or Customized
Thickness: 6-76mic or Customized
Packaging: Packed on roll, Loose Pack, Block Pack, Color Dispenser box, Individual Folded, Carton or Customized
Certification: BRC, ISO9001, BSCI, GRS

LDPE PIPING BAGS

Material: LDPE
Capacity: Customized
Color: Transparent, Blue, or Customized
Thickness: Customized
Packaging: Packed on roll, Loose Pack, Block Pack, Individual Folded, Carton or Customized
Certification: BRC, ISO9001, BSCI, GRS

PRINTED T-SHIRT BAGS

Material: HDPE/LDPE/GRS Recycled Material/Green PE
Capacity: Customized
Color: Any Color Customized
Thickness: Customized
Printing: Logo Printing, Customized Designs
Packaging: Flat pack, on roll, Customized Packaging
Certification: BRC, ISO9001, BSCI, GRS

PRINTED T-SHIRT BAGS ON ROLL

Material: HDPE/LDPE/GRS Recycled Material/ Green PE
Capacity: Customized
Color: Any Color Customized
Thickness: Customized
Printing: Gravure Print, Random printing, Register printing or Customized
Packaging: Packaged on Roll
Certification: BRC, ISO9001, BSCI, GRS

BIODEGRADABLE BAG

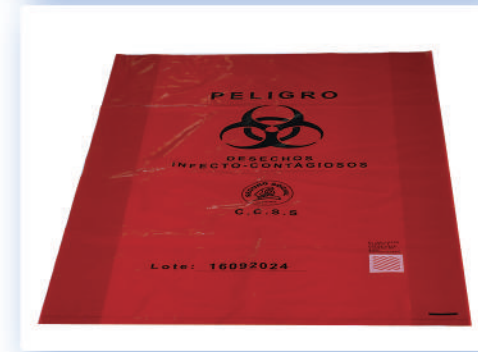

Material: Cornstarch/ PLA/ PBAT/Green PE/ GRS/PE+EPI or D2W
Bag Type: T-Shirt Bag, Garbage Bag, Shopping Bag, Pet Waste Bag
Color: Natural, Green or Customized
Thickness: 12-100mic
Printing: Gravure Print, Random printing, Register printing or Customized
Packaging: Packed on Roll, Loose Packed or Customized
Certification: EN13432, ASTM D6400, BPI, OK COMPOST, GRS

BIOHAZARD BAG

Material: HDPE/LDPE/Metallocene/Octene
Capacity: 13~60 Gallon Color Red, Yellow, Purple or Customized
Thickness: 0.8-3 Mil
Printing: Gravure Print, Random printing, Register printing or Customized
Packaging: Loose packed Fold one by one, On Roll or Customized
Certification: BRC, ISO9001, BSCI

PET POOP BAGS

Material: HDPE/LDPE/Composable/Green PE/GRS
Capacity: Customized
Color: Any Color Customized
Thickness: Customized
Packaging: Packed on roll, Loose Packed,
Block Pack, Color Dispenser box,
Carton or Customized
Certification: BRC, ISO9001, BSCI, GRS

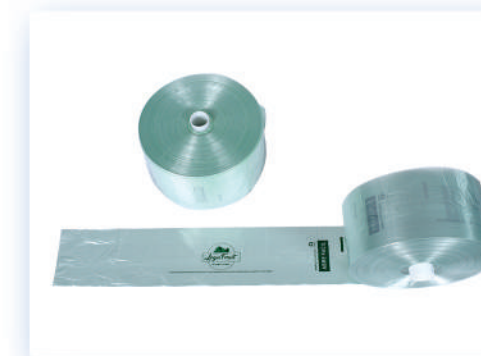

NAPPY BAGS

Material: HDPE
Capacity: Customized
Color: Yellow, White, Green, Purple or Customized
Thickness: Customized
Printing: Gravure Print, Random printing,
Register printing or Customized
Packaging: Loose packed in Dispenser Box or
Dispenser Bag and Carton
Certification: BRC, ISO9001, BSCI, GRS

HDPE STAR-SEAL BAGS FOR FOOD

Material: HDPE, LDPE, GREEN PE,
Compostable, Biodegradable
Capacity: 8-30L or Customized
Color: Transparent, Green or Customized Color
Thickness: Customized
Printing: Logo Printing, Customized Designs
Packaging: On Rolls
Certification: BRC, ISO9001, BSCI, GRS

GRS GARBAGE BAG

Material: Recycle PE
Color: Natural, Green or Customized
Thickness: 6~70mic
Printing: Gravure Print, Random printing,
Register printing or Customized
Packaging: Packed on Roll, Loose Packed, fold
one by one or Customized
Certification: EN13432, ASTM D6400, BPI,
OK COMPOST, GRS
