Part 1 **Brand Introduction**

Haki Haki

Haki Haki is a dedicated pet care brand committed to offering trustworthy products for both you and your furry companions.

Our approach is rooted in understanding the needs of both "owners" and "pets." By embracing the natural instincts of animals and exploring the genuine requirements of pet-raising families, we use only natural, healthy, and premium-quality materials to craft products that are [comfortable, healthy, and reassuring].

We aspire for Haki Haki to be a part of your everyday life, fostering the special bond between you and your pets, and enriching the moments you share together.

"From the day you became part of our family, you have illuminated my life."

Haki Haki

Haki Haki

VISION

Haki Haki To become a trustworthy pet lifestyle brand for families

MISSION

Continuously improving urban life for pets
Enhancing the quality of life for pet families
Creating lasting value for customers worldwide

VALUE

Honor the natural instincts of animals and respect the balance of nature;
Human-pet harmony, love and connection, healing and coexistence

Corporate Profile

Established in 1998, MegaSoft Group has over 27 years of expertise in the hygiene care industry. With nine manufacturing bases worldwide and nearly 4,000 employees, we produce over 15 million products daily, reaching consumers across the globe.

Our seven core business categories — including baby diapers, adult diapers, medical masks, feminine hygiene products, pet diapers, wet wipes, and steam eye masks — are sold across North America, South America, Africa, Europe, Oceania, Asia, and China.

Through a fully integrated supply chain with nine production hubs and four supply subsidiaries, our footprint now spans six continents and 81 countries. Trusted by millions of families worldwide, we are committed to improving lives through innovation and care.

Haki Haki

Pet Training Pads

Haki Haki

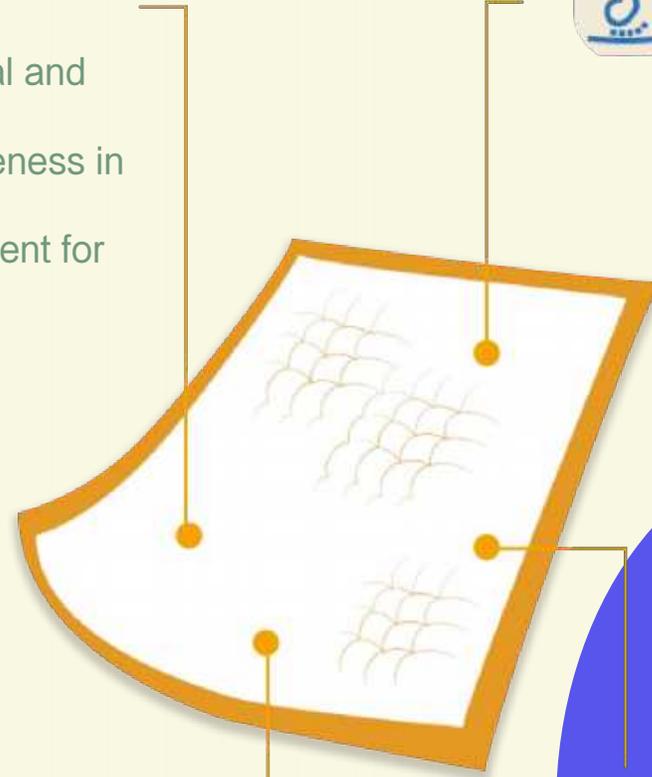

Deodorizing

- Dedicated to Odor Removal and Bacteria Control
- Multi-dimensional Effectiveness in Eliminating Odors
- Creating a Fresh Environment for People and Pets

Rapid Absorption

- Diamond Pattern for Instant Absorption and Flow Control
- No Paw Marks Left Behind

Leak-Proof Design

Waterproof PE Reinforced Composite Bottom Film to Prevent Urine Leakage

High Absorption Capacity

- Sufficient SAP for Effective Moisture Lock-in
- Locks in Multiple Urinations with a Single Pad
- Thickened Core Structure

Dual-color Designed Training Pads

- S
- M
- L

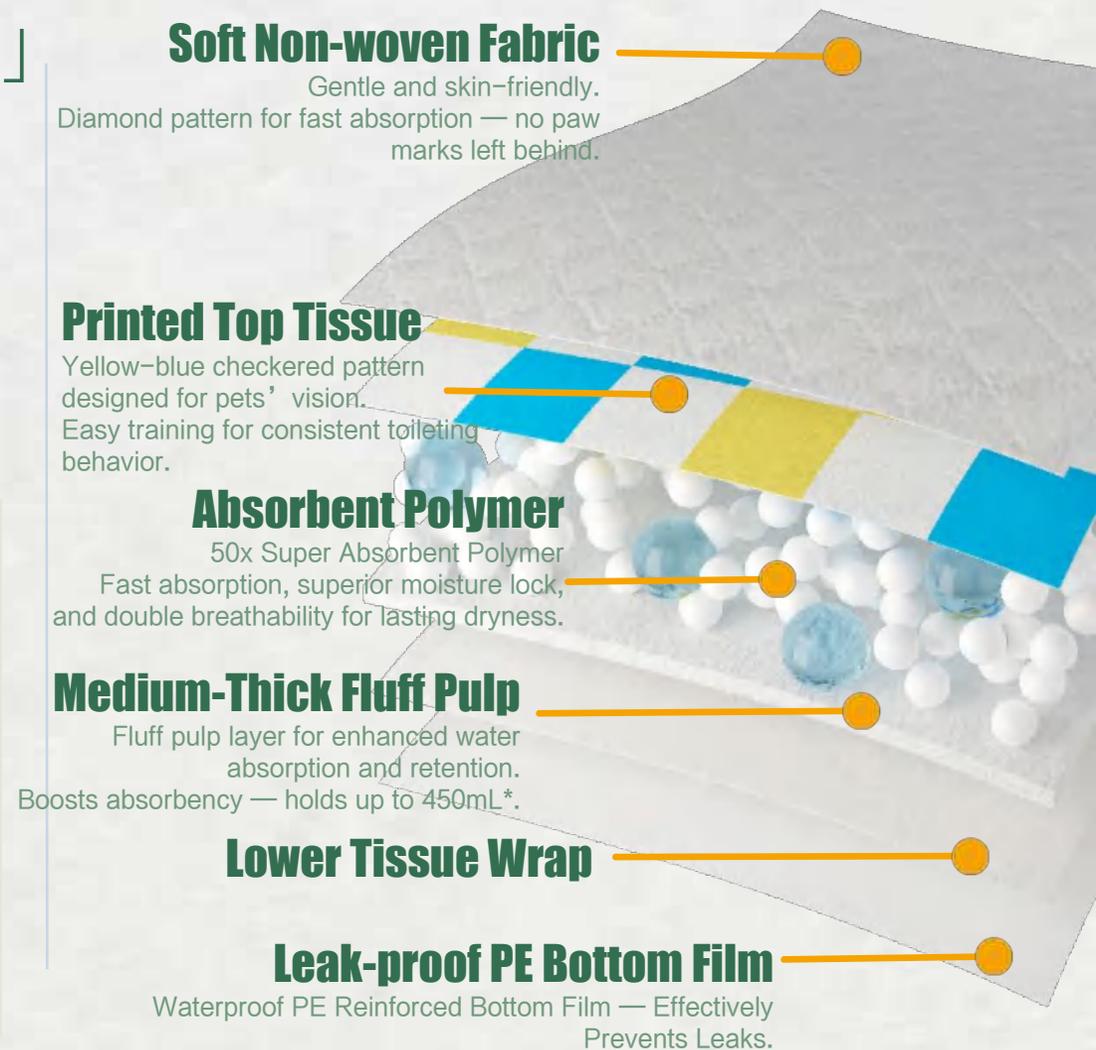

「 Visual Training · Strong Absorption 」

- ✓ Blue and yellow checkered design to guide pets to designated spots.
- ✓ High SAP content — absorbs about 3 uses per pad*.
- ✓ Medium thickness, durable and tear-resistant.

Size	Dimension	Pcs/Bag	Absorbency
S	33*45cm	100	140mL
M	45*60cm	50	270mL
L	60*60cm	35	330mL
XL	60*90cm	25	450mL

*Data sourced from internal tests conducted by MegaSoft's laboratory

Charcoal Training Pads

S

M

L

「Bamboo Charcoal Freshness」

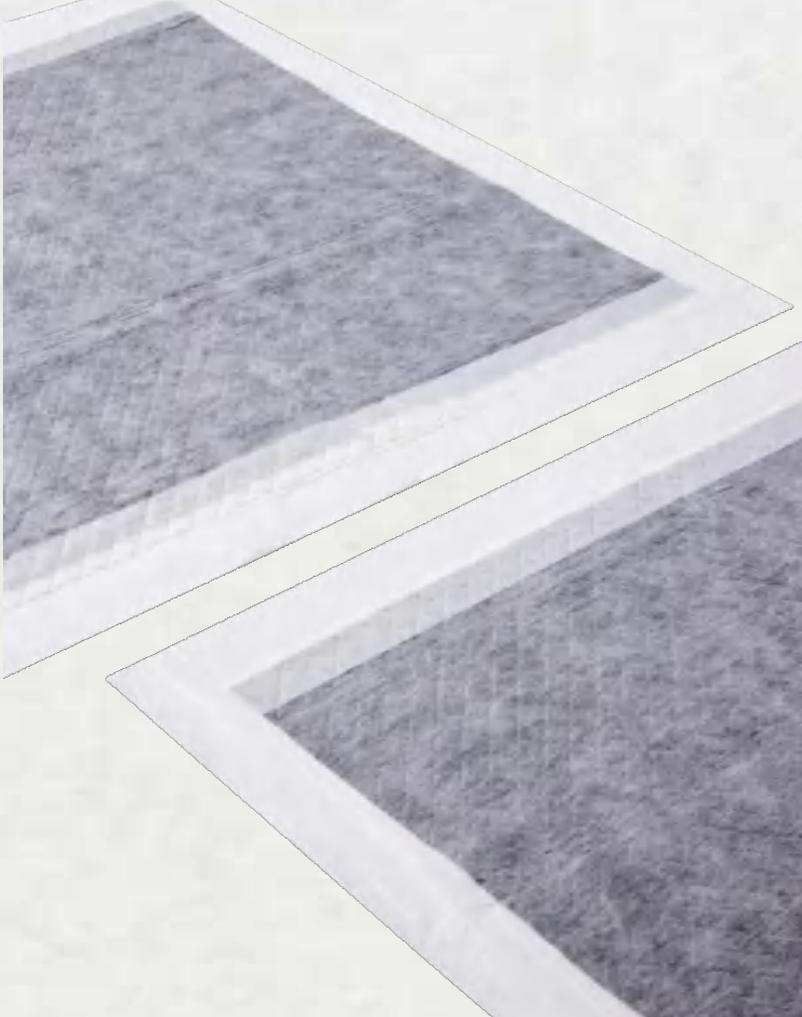

- ✓ Bamboo charcoal layer with $\geq 96\%$ deodorization efficiency.
- ✓ High absorbency — one pad holds up to four uses*.
- ✓ Medium thickness, strong and tear-resistant.

Size	Dimension	Pics/Bag	Absorbency
S	33*45cm	100	160mL
M	45*60cm	50	350mL
L	60*60cm	35	380mL
XL	60*90cm	25	560mL

*Data sourced from internal tests conducted by MegaSoft's laboratory

7-Layer Core Structure

Soft Non-woven Fabric
Gentle and skin-friendly.
Diamond pattern for fast absorption — no paw marks left behind.

Designed Charcoal Tissue
Activated Carbon Fiber Layer
Absorbs ammonia and eliminates odors with $\geq 96\%$ deodorization efficiency.

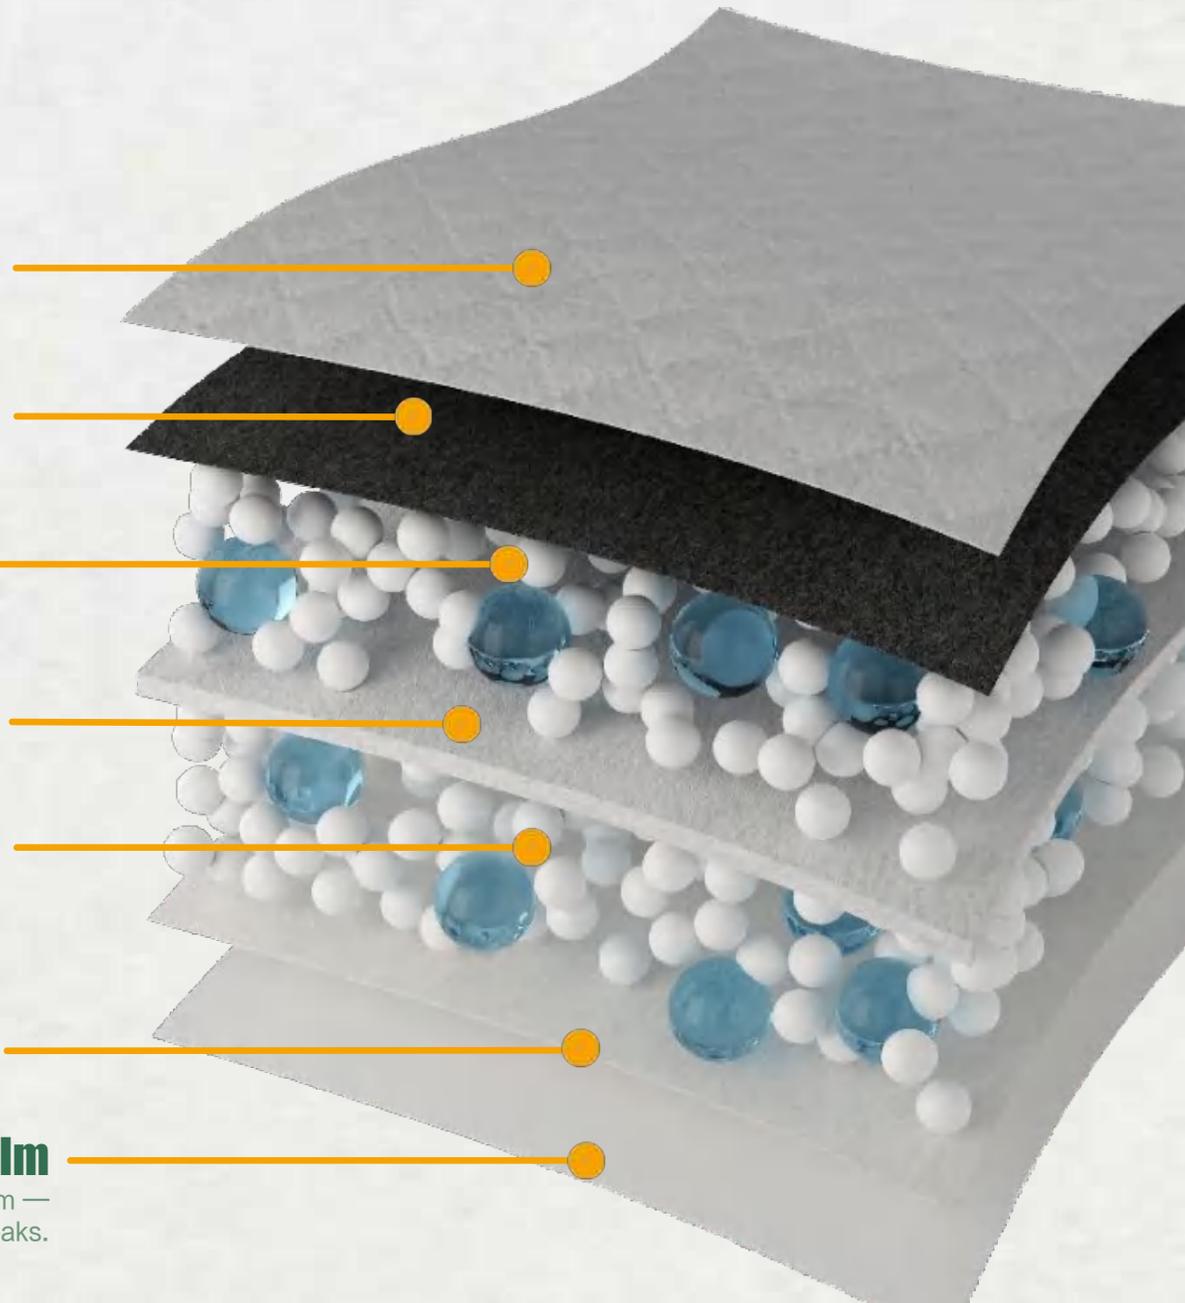

Absorbent Polymer
50x Absorbency
Fast absorption, superior moisture lock, and double the breathability for lasting dryness.

Medium-Thick Fluff Pulp
Fluff pulp layer for enhanced water absorption and retention.
Boosts absorbency — holds up to 560mL*.

Deodorizing & Antibacterial Polymer
Effectively eliminate ammonia and odors, keeping the pet environment fresh and clean.

Lower Tissue Wrap

Leak-proof PE Bottom Film
Waterproof PE Reinforced Bottom Film — Effectively Prevents Leaks.

Deodorant Training Pads

- S
- M
- L

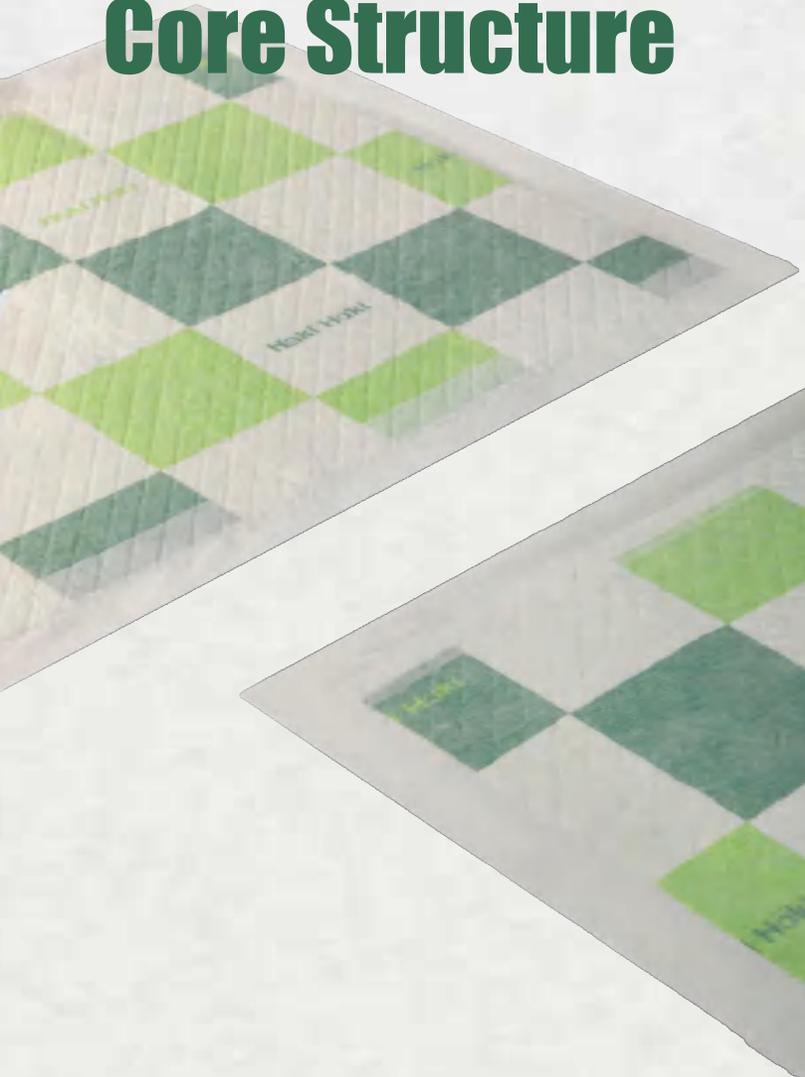

Quick Absorption | Powerful Deodorization

- ✓ Deodorizing polymer with $\geq 99\%$ odor elimination efficiency.
- ✓ High polymer content — absorbs up to 5 uses per pad*.
- ✓ Medium thickness, easy to carry, tear-resistant, and highly durable.

Size	Dimension	Pcs/Bag	Absorbency
S	33*45cm	100	185mL
M	45*60cm	50	400mL
L	60*60cm	35	480mL
XL	60*90cm	25	700mL

*Data sourced from internal tests conducted by MegaSoft's laboratory

7-Layer Core Structure

Soft Non-woven Fabric

Gentle and skin-friendly.
Diamond pattern for fast absorption — no paw marks left behind.

Designed Tissue

Absorbent Polymer

59x Absorbent Polymer
Fast absorption, strong water lock, and enhanced breathability for all-day dryness.

Medium-Thick Fluff Pulp

Fluff pulp layer for enhanced water absorption and retention.
Boosts absorbency — holds up to 700mL*.

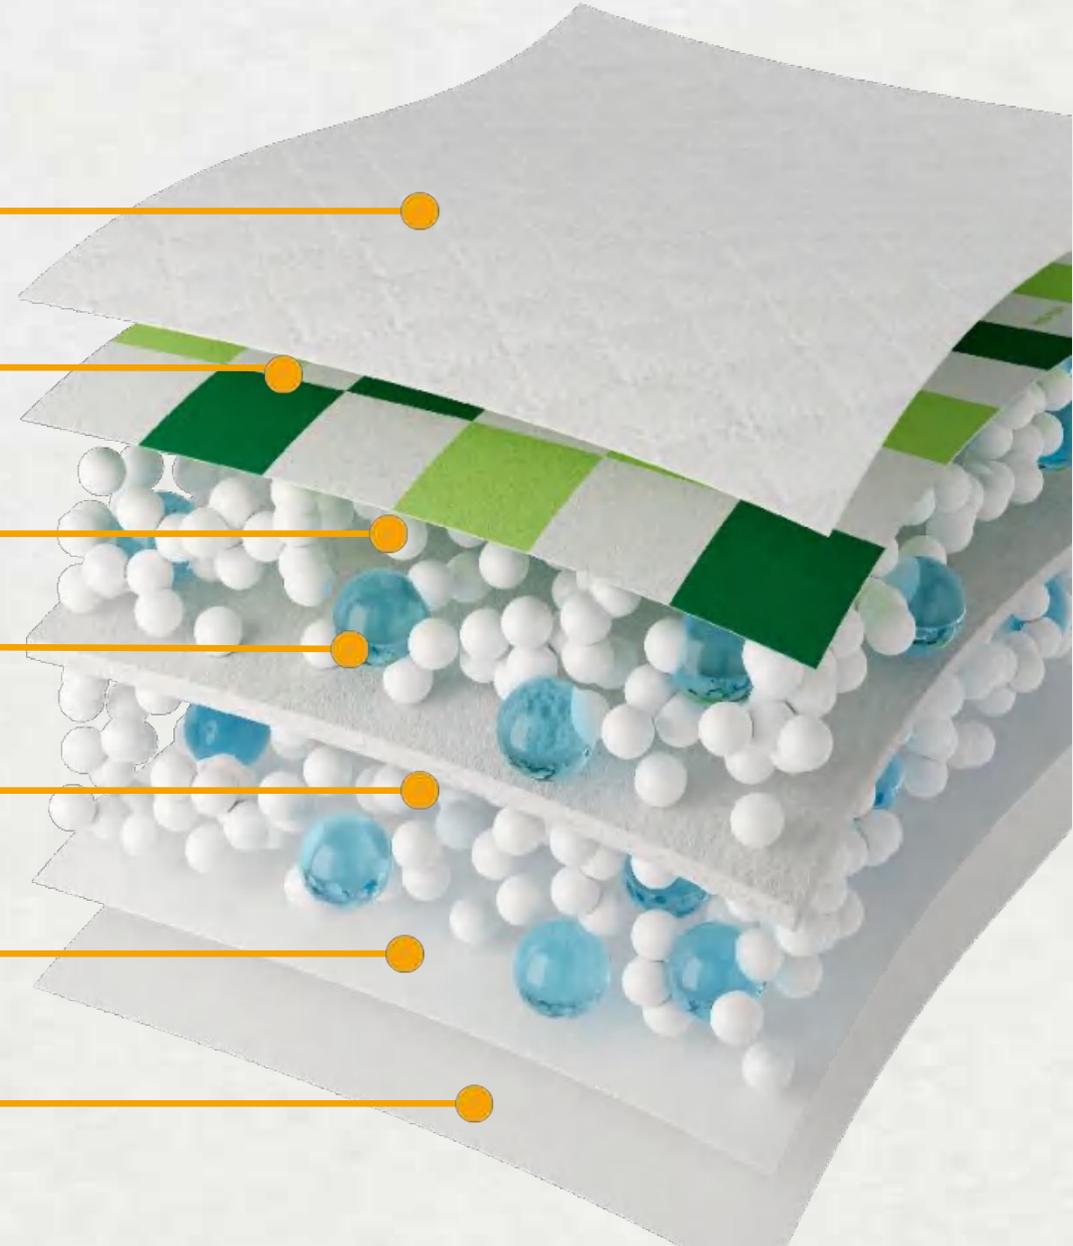

Deodorizing & Antibacterial Polymer

Effectively eliminate ammonia and odors, keeping the pet environment fresh and clean.

Lower Tissue Wrap

Leak-proof PE Bottom Film

Waterproof PE Reinforced Bottom Film —
Effectively Prevents Leaks.

Fragrance Training Pads

S
M
L

「 Fresh Fragrance | Rapid Absorption 」

- ✓ Added grass fragrance that matches the pet's sense of smell and creates a fresh environment
- ✓ Sufficient amount of polymer within thickened core, 7 layers protection, approximately 6 times absorption*
- ✓ Thickened design, one pad a day for all-day peace of mind

Size	Dimension	Pcs/Bag	Absorbency
S	33*45cm	100	210mL
M	45*60cm	50	450mL
L	60*60cm	35	560mL
XL	60*90cm	25	820mL

*Data sourced from internal tests conducted by MegaSoft's laboratory

8-Layer Core Structure

Soft Non-woven Fabric

Gentle and skin-friendly.
Diamond pattern for fast absorption — no paw marks left behind.

Designed Tissue

Absorbent Polymer

59x Absorbent Polymer
Fast absorption, strong water lock, and enhanced breathability for all-day dryness.

Double Fluff Pulp Layer

Thicker, more absorbent — holds up to 820mL*

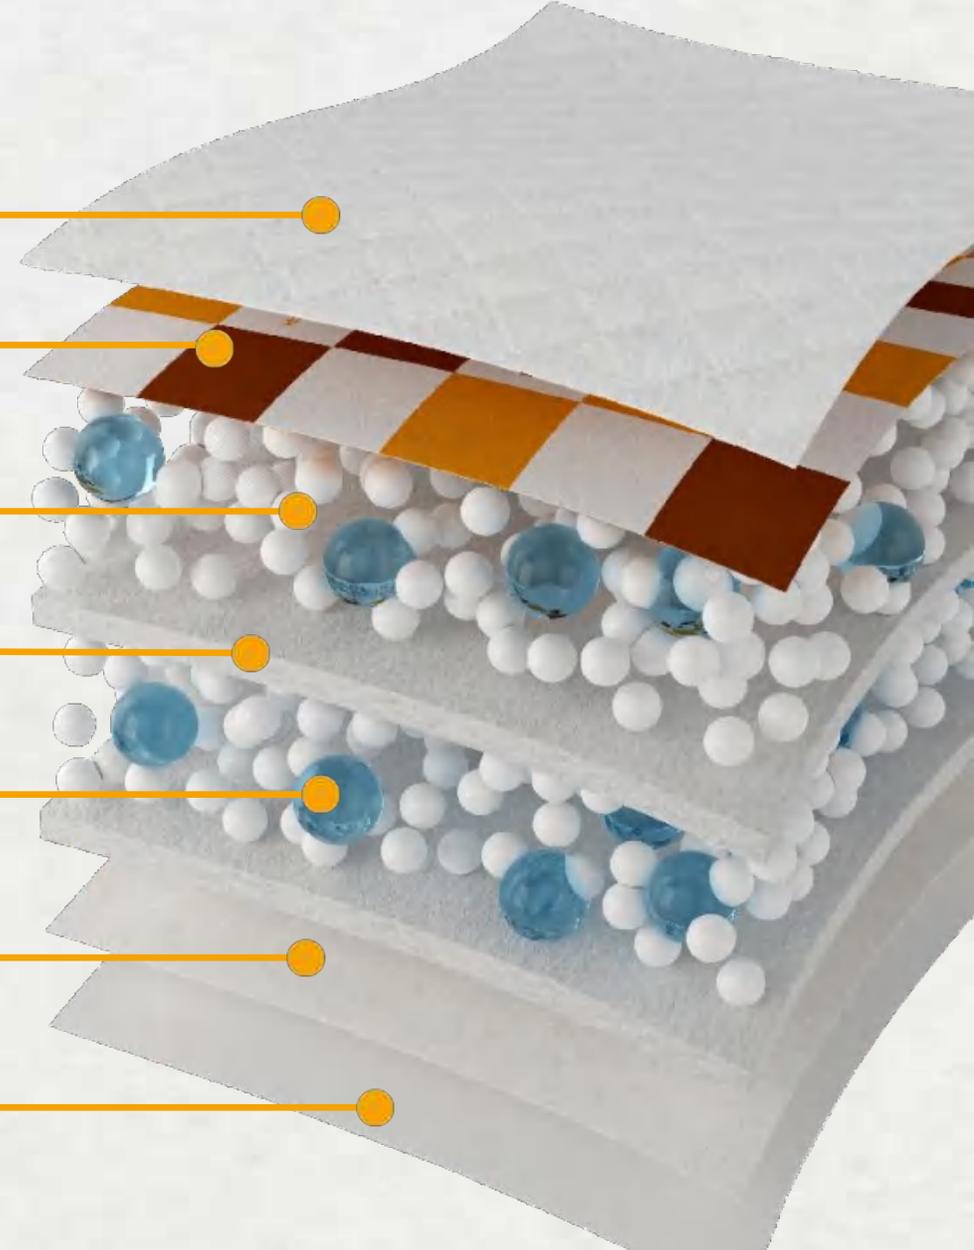

Deodorizing Fragrance

Pet-friendly Green Grass Scent for Odor Removal and a Fresher Home

Lower Tissue Wrap

Leak-proof PE Bottom Film

Waterproof PE Reinforced Bottom Film — Effectively Prevents Leaks.

Haki Haki

A brown dog, possibly a Weimaraner, is standing on a dirt path in a forest. The dog is holding a large, dark log horizontally in its mouth. The dog has a blue collar tag. The background is a blurred forest with trees and foliage. The overall scene is outdoors and appears to be a natural setting.
