## VetSupport Supplements

*Your dog's health and well-being*

VetSupport is an innovative line of supplements for dogs in the form of tasty treats. It combines natural nutrients, vitamins, minerals, probiotics and plant extracts that support your dog's health and well-being on many levels.

Each product has a specific function – from strengthening immunity, supporting joints and bones, to improving digestion, skin and coat condition, and urinary tract health. The range also includes a probiotic formula and a supplement that helps reduce stress and anxiety in dogs.

- Natural support for your dog's health.
- A taste that dogs love.
- Tailored to their needs – each supplement has a specific purpose.
- Active ingredients with proven effectiveness.
- Products suitable for dogs of all breeds, sizes and ages.

**Supplements in the form of soft and tasty treats that dogs love to eat. It's a convenient way to make daily supplementation a pleasure for your dog and a simple ritual for you as a pet owner.**

Active ingredients in 1 treat:	
Salmon oil	250 mg
Ascorbic acid (vit. C)	25 mg
D-alpha-tocopherol acetate	2 mg

**Technological additives/1kg:** Sunflower lecithin (1c322i) 40,4 g, sorbic acid (1a200) 5 g.

**Dietary additives/1kg:** L-methionine (2b17027) 83,33 g.

**Analytical constituents per 100 g:** Protein 15.4 g, fat 9.5 g, ash 2.18 g, fibre (crude fibre) 3.8 g, calcium 9 mg, phosphorus 36 mg, moisture 10.9%.

Active ingredients in 1 treat:	
Chicory inulin	100 mg
Probiotics	1 billion CFU

## VetSupport - PROBIOTICS

*Main benefit: Supports gut and digestive health*

### Recommendations:

- restoration of intestinal bacterial flora,
- prevention of diarrhoea,
- support after antibiotics,
- improved nutrient absorption,
- strengthening immunity,
- relief of stomach ailments.

**Ingredients:** Inactivated brewer's yeast, potato starch, vegetable glycerine, potato flakes, dried apple pulp, refined coconut oil, dried tapioca, lecithin, powdered chicory root, carob flour, flavouring, probiotics – *Bacillus velezensis*, sorbic acid, salmon oil, linseed expeller, antioxidant.

**Technological additives/1kg:** Sunflower lecithin (1c322i) 42,23 g, sorbic acid (1a200) 5 g.

**Zootechnical additives/1kg:** Probiotic – *Bacillus velezensis* (4b1820) 333.33 billion CFU.

**Analytical constituents per 100 g:** Protein 11.1 g, fat 10.4 g, ash 2.39 g, fibre (crude fibre) 3.4 g, calcium 35 mg, phosphorus 35 mg, moisture 11.4%.

Active ingredients in 1 treat:	
Brewer's yeast	566 mg
Chicory inulin	200 mg
Salmon oil	88 mg
Probiotics	1 billion CFU

## VetSupport - DIGESTIVE

*Main benefit: Supports digestion*

### Recommendations:

- supports gut health,
- improves nutrient absorption,
- strengthens immunity,
- regulates stool quality,
- helps with sensitive stomachs,
- has prebiotic and probiotic effects.

**Ingredients:** Inactivated brewer's yeast, potato starch, vegetable glycerine, potato flakes, dried apple pulp, refined coconut oil, dried tapioca, lecithin, bovine colostrum powder, powdered chicory root, salmon oil, flavouring, locust bean gum, probiotics – *Bacillus velezensis*, sorbic acid, linseed meal, antioxidant.

**Technological additives/1kg:** Sunflower lecithin (1c322i) 38,37 g, sorbic acid (1a200) 5 g.

**Zootechnical additives/1kg:** Probiotic – *Bacillus velezensis* (4b1820) 333.33 billion CFU.

**Analytical constituents per 100 g:** Protein 12.9 g, fat 12.3 g, ash 4.4 g, fibre (crude fibre) 3.2 g, calcium 53 mg, phosphorus 36 mg, moisture 10.6%.

## VetSupport - 8 IN 1 FORMULA

*Main benefit: A supplement with complex functions*

### Recommendations:

- supports gut health,
- improves nutrient absorption,
- strengthens immunity,
- regulates stool quality,
- helps with sensitive stomachs,
- has prebiotic and probiotic effects.

**Ingredients:** Inactivated brewer's yeast, potato starch, vegetable glycerine, potato flakes, dried apple pulp, refined coconut oil, dried tapioca, lecithin, glucosamine from animal tissues (crustaceans), salmon oil, dimethylsulphone (MSM), bovine collagen, flavouring, carob meal, chondroitin sulphate powder, vitamin C, sorbic acid, linseed oil, probiotics (*Bacillus velezensis*), antioxidant, vitamin E, thiamine, vitamin B5, riboflavin, vitamin B6, vitamin A.

**Technological additives/1kg:** Sunflower lecithin (1c322i) 37,02 g, sorbic acid (1a200) 5 g.

**Dietary additives/1kg:** Vitamin C (3a300) 10 g, vitamin E (3a700) 0.67 g, vitamin B1 (thiamine) (3a820) 0.33 g, vitamin B5 (pantothenic acid) (3a841) 0.33 g, vitamin B2 (riboflavin) (3a825) 0.30 g, vitamin B6 (3a831) 0.17 g, vitamin A (3a672a) 0.17 g.

**Analytical constituents per 100 g:** Protein 14.2 g, fat 11.9 g, ash 3.05 g, fibre (crude fibre) 3.6 g, moisture 13.5%, phosphorus 30 mg, calcium 10 mg.

Active ingredients in 1 treat:			
Glucosamine	100 mg	D-alpha-tocopherol acetate (vit. E)	2 mg
Salmon oil	100 mg	Thiamine (vit. B1)	1 mg
Methylsulfonylmethane (MSM)	100 mg	Calcium D-pantothenate (vit. B5)	1 mg
Bovine collagen	100 mg	Riboflavin (vit. B2)	0,9 mg
Chondroitin sulphate	30 mg	Pyridoxine hydrochloride (vit. B6)	0,5 mg
Probiotics	250 bn CFU	Retinol (vit. A)	0,5 mg
Ascorbic acid (vit. C)	30 mg
