

SIOEN
BALLISTICS

LIFE SAVING DESIGN THROUGH INNOVATION

Sioen Ballistics is a manufacturer and provider of ballistic and stab proof protective products in various formats, including **overt, covert and tactical vests, hard plate carriers, shields, and other protective solutions that are tailored upon customer requirements.** For over 50 years, our products and expertise have been trusted by professionals working in the law enforcement, defense- and humanitarian fields. We are certified according to **ISO9001, ISO14001 and AQAP2110 standards.** Our headquarters are located in Ardooie, Belgium and Helsinki, Finland.

Sioen Ballistics is part of Sioen Industries Group, a textile solution provider and a world market leader in technical textiles and professional protective garments.
