PRODUCT CATEGORY ABOUT US

We were founded in 2002. At the beginning, we supplied different stone products to Chinese export trade companies. After 3 years' development, we have established our own import and export company, Nanjing Beautystone Imp. & Exp. Co., Ltd. We can export products directly. Therefore, we can provide customers with high quality products at the most favorable price. Our factory is located in Luhe, Nanjing - the hometown of River Stone. We are close to Nanjing and Shanghai ports. Our factory covers an area of about 3000 square meters and has about 100 workers. We have advanced technique and superb craftsmanship.We specialize in manufacturing and exporting a full range of stone products. On the basis of the river stones, we have developed many other products, such as nature pebble stones, river stones,
