A stylized illustration featuring two white cartoon animal faces with thick black outlines. On the left is a rabbit-like face with long ears, and on the right is a cat-like face with pointed ears. They are positioned as if looking at each other. The background is a light green color. The word 'Olina' is written in a bold, black, sans-serif font between the two faces. Below the rabbit's face, the word 'FEATURES' is written in a white, sans-serif font on an orange-colored area.

LIPID BIOREGULATION SYSTEM™

Exclusive patented technology for cellular lipid regulation. Optimizes the absorption of plant-based actives at tissue level. Available in the Zen, Mobility, Metabolic and Dermal formulas.

OMEGA BALANCE COMPLEX

A balanced functional lipid complex of 8 premium plant-based oils, formulated to deliver a complete profile of essential fatty acids (ω -3, ω -6, ω -9), natural antioxidants and beneficial phytonutrients for dogs and cats.

WHY CHOOSE OLINA?

PATENTED FORMULA

Proprietary, unreplicable technology. A real competitive edge for olina sellers.

100% Made in Italy

Controlled at every production stage, Italian supply chain. Verifiable quality, ready to communicate to the end customer.

100% Natural

No artificial ingredients. Today's pet owners want natural: Olina answers that call.

Complete Line

Dog + Cat, Specific + Daily: a complete range for every need, every customer.

Irresistible Flavours

Salmon, Bacon, Cheese: high palatability for stress-free administration.

Scientific Support

Science-backed formulas. Lipid Bioregulation System: your unique competitive edge.
