

# WOODEN CHEW ELBOW

The Wooden Chew Elbow product of Buddy Wood Chew is handmade, completely natural, with significantly higher hardness and durability, making it extremely safe for dogs.

Keep dogs happy,  
reduce stress, and  
boredome

Minimize the habit  
of chewing household  
items

Clean teeth and gums,  
preventing dental  
issues

Serve as a reward for  
your beloved pets

100% pure coffee wood  
grown in Tay Nguyen,  
Vietnam

High durability due to the  
age of the coffee trees  
(over 20 years), ensuring  
long-lasting use

Fully crafted by  
experienced artisans

Completely safe for pet  
dogs: No harmful chemicals  
- No calories - No caffeine

**100%  
NATURAL  
COFFEE  
WOOD**  
Vietnam Handicrafts

# WOODEN CHEW ELBOW

What makes the Wooden Chew Elbow truly special is the careful selection of materials from the trunk and branches of coffee trees.

*The Wooden Chew Elbow is created from the very branching points of the tree's limbs, where the wood is harder, denser, and features natural grooves and knots.*

## SIZE CHART AND DIMENSIONS

- 🐾 Much higher hardness compared to standard products
- 🐾 Excellent load-bearing capacity, lasting through your dog's chewing process
- 🐾 A fascinating and challenging chewing toy
