# Solutions

NORDRIDE – Your Swiss pioneer for mobile LED lighting.

Since 2005, we at NORDRIDE have specialized in professional and innovative lighting solutions, ranging from flashlights to area lighting systems. Through active exchange with end customers, distribution partners, and the LED industry, we develop customized products for demanding applications.

We look forward to hearing from you!

Your NORDRIDE retailer:

Nordride AG  
Hostattstrasse 3  
CH-6375 Beckenried  
  
+41 41 448 41 93  
info@nordride.ch  
www.nordride.ch

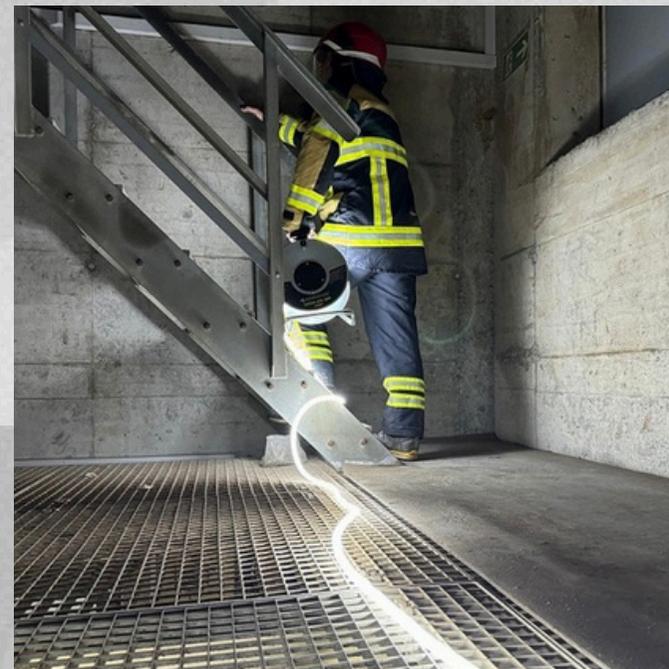

The right lighting is essential for any successful operation. Our product range includes a coordinated selection for various applications, such as:

- OUTDOOR
- PROTECTION & RESCUE
- SECURITY
- WORKSHOP & MAINTENANCE
- CONSTRUCTION SITE
- AREA LIGHTING
- INDUSTRY
- WINTER SPORTS & CABLE CARS
- EQUESTRIAN SPORTS
- AGRICULTURE
- UVC DISINFECTION

What are your specific lighting requirements?  
We would be happy to adapt existing products or develop customized lighting solutions for you.  
Please don't hesitate to contact us.
