# AUTONOMOUS LINE MARKING ROBOT

The SWOZI *auto* is the right choice for anyone who prioritises precision and convenience when marking fields. It is self-propelled and automatically marks the entire field in a short time. The layout is selected on the tablet and the SWOZI *auto* begins its work.

## FOR MAXIMUM CONVENIENCE

Your autonomous tool for 100% accurate lines. At speeds of up to 7 km/h, the SWOZI *auto* independently marks every sports turf in a short time.

### ONE MAN SHOW

1 field - 1 person - 20 minutes  
Without cords, without measuring tapes.

### BATTERY CHANGING SYSTEM

Eliminates recharging times and enables uninterrupted marking.

### SAVE TIME & PAINT

Save up to 75% of time with GPS technology and reduce paint consumption.

### ACCURATE LINES

Quality with highest accuracy.

### MAXIMUM FLEXIBILITY

Can be switched from autonomous to semi-autonomous or manual.

### TEMPLATES

Over 100 field templates to choose from.

# SWOZI *auto* – PURE COMFORT.

## SPECIAL FEATURES

## STATE-OF-THE-ART GPS TECHNOLOGY PAIRED WITH SWISS PRECISION
