

# LIBERATE BREATHING

Restore a Fresh Pet Care Environment

{Odour & Stain Remover}

**24<sub>h</sub>**  
Continuous  
Odor Removal

**99.9%**  
Efficient  
Antibacterial

Targeted Deodorization  
No Recurring Odors

24h  
Continuous  
Odor Removal

Pet Waste  
Odor

Pet Body  
Odor

Cigarette  
Smell

Hot Pot  
Smell

COMPOSITE BIO-ENZYME TECHNOLOGY

# Not Masking Truly Eliminating

Complex Enzyme Technology  
Directly Targeting the Source

**1** Purify  
Odor Factors

Neutralize  
Decompose Odor Substances **2**

**3** Inhibit Microbial Growth  
Reproduction

Build Human-Pet Health Defense

# 99.9%

## Efficient Antibacterial

*E. coli*

*Staphylococcus aureus*

\*As tested by professional institutions, under laboratory conditions, this product achieves a 99.9% germicidal rate against *Staphylococcus aureus*, *Escherichia coli*, etc.

# Formula Friendly to Both Humans & Pets

Friendly<sup>+</sup>

***Non-Toxic if Licked***  
***Non-Irritating to Skin***

**No  
Alcohol**

**No  
Colorants**

**No  
Ammonia**

**No  
Chlorine**

**No  
Alkali**

**No  
Bleach**

# Deodorize & Inhibit Bacteria Comprehensively Superior

THE BEST CHOICE

# 3.0

**Biological - Composite  
Biological Enzymes**

# 2.0

**Physical  
Adsorption**

# 1.0

**Chemical  
Masking**

**Odor  
Removal  
Principle**

**Utilizes Complex Enzymes  
to Catalyze  
Decompose Odors**

Utilizes Porous Materials  
Intermolecular Forces  
Adsorbs Odors

Masking Odors with  
Fragrance  
Treating Symptoms  
Not the Cause

**Deodorizing  
Effect**

**Odor Elimination  
at Source  
High Efficiency**

Slow Deodorizing Speed  
Limited  
Adsorption Capacity

Short Effective  
Deodorizing Period  
Mix of Fragrance and Odor

**Antibacterial  
Capability**

**Efficient Antibacterial  
Effectively Inhibits  
Bacterial Growth**

Cannot Inhibit Bacteria

Cannot Inhibit Bacteria

**Safety  
Performance**

**Ingredients  
Natural and Safe**

Corrosive or Toxic  
Easily Irritates Human  
and Pet Olfaction

Strong Smell  
Easily Irritates Human  
and Pet Olfaction

# Suitable for Multiple Environments

Improves Pet Care Living Environment Quality

**Pet Beds**

**Pet Toilets**

**Pet Toys**

**Carpets & Cushions**

**Pet Backpacks**

**Pet Activity Areas**

Precisely Designed Nozzle

# Fine Mist Wide Spray Range

Uniform & Delicate Mist  
Say Goodbye to Harsh Sprays

# TWO FRAGRANCES

**Unscented**

“

## A Philosophy of Life Without Addition

No Scent

Returning to Simplicity

Without Relying on Masking Scents

Allowing Every Pet Owner

To Reunite with the Essence in Companionship

Creating an Unguarded, Comfortable Atmosphere

## “ It, from "Nature's Gift" ”

Like brewing a rejuvenating white tea after rain

The clear moisture of flowers

The leisurely fragrance of grass and trees

Weave an ethereal elegance between mountains and rivers

The inherent oriental tea fragrance

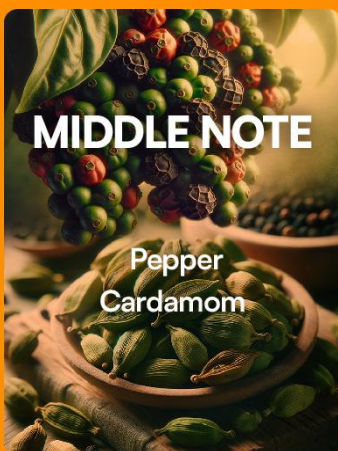

Adds a warm note to olfactory memories

### White Tea Scent

#### TOP NOTE

Tea  
Artemisia  
Bitter Orange  
Orange Blossom

#### MIDDLE NOTE

Pepper  
Cardamom

#### BASE NOTE

Amber  
Rose  
Jasmine  
Woody Scents

## TWO SIZES

450ml  
Standard

5L Large Capacity  
More Durable
