**Kasty** <sup>brand</sup> **TOFU** CAT LITTER  
NATURAL TOFU CAT LITTER

**#1 TOP TOFU CAT LITTER IN THAILAND**

Why Use Kasty Tofu Litter?

- Dust-Free**  
Our unique dust suppression technology helps eliminate up to 99.9% of dust while pouring or scooping.
- Odour Control**  
Made with the highest quality pea fiber, Kasty is able to eliminate odour and provide a clean environment for the cats and their owners.
- Anti-Bacteria**  
Dry tofu cat litter has low water content which means less bacteria elimination.
- Flushable**  
100% biodegradable and eco-friendly - waste clumps can be flushed safely down the toilet.
- Low Tracking Formula**  
A small pellets help minimise tracking and make clumps easier to remove and clean up.
- Fast & Strong Clumping**  
When the tofu litter comes into contact with cat urine, it will form a clump in just 3 seconds! Scooping them up afterwards is easy peasy.
